<sup>&</sup>lt;sup>1</sup>A capstone project must comply with Department of Education guidance on the components and evaluation of a successful capstone project.

<sup>&</sup>lt;sup>2</sup> Work or community service must be approved and verified in accordance with Department of Education guidance.

<sup>&</sup>lt;sup>3</sup> If a nonpublic school elects to administer an alternative test, other graduation pathways, such as the end-of-course exams, may not be an option for the school's students.

<sup>&</sup>lt;sup>4</sup> When publishing test results, the school must include overall composite scores, mean scores, 25<sup>th</sup> percentile scores, and 75<sup>th</sup> percentile scores for each subject area.
