### ENDURING UNDERSTANDINGS

- **Personal Choice and Vision:** Students construct and solve problems of personal relevance and interest when expressing themselves through music.
- **Critical and Creative Thinking:** Students combine and apply artistic and reasoning skills to imagine, create, realize and refine musical works in conventional and innovative ways and to understand the works produced and performed by others.
- **Authentic Application and Collaboration:** Students work individually and in groups to focus ideas and create and perform music to address genuine local and global community needs.
- **Literacy:** As consumers, critics and creators, students evaluate and understand visual and performing artworks and other texts produced in the media forms of the day.

### PROGRESS POINTS

- Students will, at the appropriate developmental level:
  - A. Demonstrate how musical elements communicate meaning and emotion by playing, singing or moving to music.
  - B. Recognize the use of music for various purposes by performers and listeners in a variety of cultures.
  - C. Create music in simple forms to be performed with dance, drama or in response to a work of visual art.
  - D. Individually and collaboratively select ideas and a media form of the day to create musical pieces.
  - E. Use digital technology to listen to and study music recognizing instruments, voices, ensembles and musical forms.
  - F. Form and express opinions about music they hear in formal and informal live and recorded performances.

### PRODUCING/PERFORMING (PR)

- **1PR** Demonstrate same and different (e.g., fast/slow, loud/soft, high/low and long/short).
- **2PR** Demonstrate a steady beat and maintain it while performing.
- **3PR** Sing (using head voice and appropriate posture) and move to music of various and contrasting styles, composers and cultures.
- **4PR** Create a wide variety of vocal and instrumental sounds.
- **5PR** Play a variety of classroom instruments, alone and with others, and demonstrate proper technique.
- **6PR** Demonstrate audience behavior appropriate for the context and style of music performed.
- **7PR** Create a visual representation of sound.

### RESPONDING/REFLECTING (RE)

- **1RE** Recognize how music is used for a variety of occasions.
- **2RE** Describe how music communicates feelings, moods, images and meaning.
- **3RE** Communicate a response to music using dance, drama or visual art.
- **4RE** Connect concepts shared between music, other art forms and other curricular subjects.
- **5RE** Form and express personal opinions about a musical performance and show respect for the opinions of others.
- **6RE** Describe the challenges of individual and group music performance using music vocabulary.
- **7RE** Discuss audience behavior appropriate for the context and style of music performed.
