Principles of Effectiveness

- Conduct a needs assessment including the school year and summer months data
- Establish program performance measures
- Programs should be based on Scientifically Based Research activities
- Conduct evaluations:
 - Should be periodic and assess progress towards achieving goals
 - Use results to refine, improve and strengthen programs
 - Must be made available to the public upon request

Duration

- Five year period for approved grants
- Fourth & final years will be funded at 75% & 50% respectively
- Sustainability planning must start at the beginning

Funding

- For State Fiscal Year 2011 (SFY11)
 (July 1, 2010 June 30, 2011)
 - USDOE funds made available traditionally by early summer
 - Ohio is allocated approximately \$40 million annually (determined by USDOE)
 - Maximum funding allocation: \$200,000.00
 - Minimum funding allocation: \$50,000.00
- Awards are based on the quality of the applications
- Awards are contingent based on funding from the source

Award Notification

- Final decisions will be made by approximately July 1, 2010
- All applicants notified of funding decisions via CCIP
- All notification, records, etc. for this grant must be kept for at least 5 years (after the entire 5 year grant comes to a close) for auditing and monitoring purposes, even if there is a change in staff

Awards Based On...

- Amount of award from USDOE
- Continuing grantees' allocations
- Cut score
- Quality of apps

Accountability

- Am I doing what I said I would do?
- How well am I doing?
- Does it make a difference?

Licensing

- Initiate prior to receiving grant award
- Programs that serve youth over the age of 15 are not eligible for licensing
