

URGENT LIMITED VOLUNTARY FOOD RECALL UNCRUSTABLES® FOODSERVICE PEANUT BUTTER AND JELLY SANDWICHES

October 10, 2012

Dear Customer: ODE

The J.M. Smucker Company announced a limited voluntary recall of specific lots of bulk packs of *Uncrustables*® sandwiches distributed exclusively through foodservice sales channels. Peanut butter used in these products is associated with the Sunland, Inc. recall due to possible *Salmonella* contamination and were used only in the production of certain lots of institutional 72-count bulk packs of *Uncrustables* sandwiches produced for and distributed exclusively through foodservice sales channels.

The recall does not impact any other Smucker products including those distributed through retail channels such as grocery, convenience or warehouse club stores. Smucker produces its own peanut butter for branded peanut butters and Uncrustables distributed in retail channels.

Product Codes	Best-If-Used-By Dates
5150006650, 5150006611, 5150006612, 515000 6651, 5150006656, 5150006659, 5150006660, 5150006655, 5150006620, 5150006621	April 1, 2012 through November 14, 2012

- The impacted product is limited to 72-count bulk packs distributed in the foodservice channel
- The peanut butter was supplied through the **United States Department of Agriculture's (USDA) Food and Nutrition Service** and was produced by Sunland, Inc., which has issued an expanded national recall of some of its products due to possible contamination with salmonella.
- The Smucker Company did not manufacture the peanut butter
- The Smucker Company conducts microbiological testing on ingredients used in *Uncrustables* as well as finished product testing

There have been no reported illnesses associated with the consumption of this product but the company is nonetheless acting with an abundance of caution to protect consumer safety.

Please immediately examine your inventory and quarantine product subject to this recall. We request that you destroy any affected product that remains in your inventory and track product quantities using the enclosed form. In addition, if you have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

This voluntary recall is being made with the full knowledge of the U.S. Food and Drug Administration.

Please note that no other products of The J.M. Smucker Company are affected by this recall.

If you have any questions or concerns please contact me at (330) 682-3000.

Sincerely,

David Thomas
Vice President, Quality Assurance
