**Ohio Department of Education, Office for Exceptional Children
2012-2013 Onsite Review Summary Report**

Introduction

The Ohio Department of Education's Office for Exceptional Children would like to extend appreciation to the district staff for their efforts, attention and time committed to the completion of the review processes.

The following report is a summary of the review conducted by the Ohio Department of Education's Office for Exceptional Children (OEC) as part of its general supervision requirements under the Individuals with Disabilities Education Act (IDEA) and Am. Sub. HB1. The IDEA review consisted of a desk audit of records conducted on March 22, 2013 and interviews with district personnel conducted on May 2, 2013.

IDEA Review

Overview

Educational consultants from the Office for Exceptional Children (OEC) conducted IDEA review activities on May 2, 2013. During the IDEA Review, OEC consultants monitor the LEA's implementation of IDEA to ensure compliance. The primary focus of the IDEA Review is to:

- Improve educational results and functional outcomes for all children with disabilities; and
- Ensure that LEAs meet program requirements under Part B of IDEA, particularly those requirements that are most closely related to improving educational results for children with disabilities.

OEC focused the desk review portion on the following areas:

- Child Find;
- Delivery of Services;
- Least Restrictive Environment;
- Data Verification

Data Sources

During the review, OEC considered information from the following sources:

1. Public Parent and, Individual Parent Written Comments

In April 2013, Phoenix Village Academy Secondary I contacted all families with students with disabilities in the district by phone to notify them of their opportunity to provide input to OEC.

OEC received no written comments or telephone calls.

2. Pre-Onsite Data Analysis

OEC and SST consultants reviewed district, building and grade level data. District data analyzed included the Special Education Performance Profile, Local Report Cards, and Education Management Information System (EMIS) data. The data analysis assists OEC in determining potential growth areas and district strengths.

3. Record Review

On March 22, 2013, OEC consultants reviewed seven records of school age students with disabilities. OEC selected records of a variety of children with disabilities from one building.

Please note, not all records are reviewed for every component.

4. Staff/Administrative Interviews

On May 2, 2013, OEC consultants held two sessions of interviews with two administrators and four teachers, school counselors, related services personnel and school psychologists. OEC interviews focused on the following review areas: Child Find; Delivery of Services; Least Restrictive Environment (LRE) and IEP alignment; and Discipline.

Findings

A finding is made when noncompliance with a specific IDEA requirement is identified through the processes outlined above. All findings of noncompliance must be corrected as soon as possible, but no later than one year from the date of this report.

OEC provides separate written correspondence to the school district and the parent/guardian when action is required to correct findings of non-compliance for individual students.

Noncompliance that is identified in **30% or more** of the records reviewed by OEC and substantiated through other data sources must be included in a comprehensive corrective action plan (CAP) with action steps to address each of the noncompliance findings.

All noncompliance identified by OEC as part of the IDEA review, listed by subject area within this report in the *Review of Findings and District Required Actions* table, must be corrected as set forth below.

Corrective Action Plan (CAP)

The *Review of Findings and District Required Actions* identifies the noncompliance which must be addressed in the corrective action plan developed by the Phoenix Village Academy Secondary I. An approved form for the corrective action plan will be provided by OEC or can be accessed on ODE's web site by using the keyword search "OEC Corrective Action Plan". The corrective action plan developed by the district must include the following:

- Improvement strategies to address all areas of identified non-compliance,
- Documentation/evidence of implementation of the strategies,
- Individuals responsible for implementing the strategies,
- Resources needed, and
- Completion dates.

State Performance Plan (SPP) results indicators may also be included in the corrective action plan to address improved performance for students with disabilities.

The district must submit the corrective action plan to Olivia Schmidt, OEC Lead Consultant at Olivia.schmidt@education.ohio.gov within 30 school days from the date of this report. OEC will review the action plan submitted by the district for approval. If OEC deems that a revision(s) is necessary, the district will be required to revise and resubmit. The district will be contacted by the OEC Lead Consultant and notified when the action plan has been approved.

CAP Due Date: September 24, 2013

Individual Correction

The district has 60 school days of the issuance of the letter of findings to correct all identified findings of non-compliance for individual students, unless noted otherwise in the report.

*Individual Correction Due Date: **November 6, 2013***

Systemic Correction

The district must correct any noncompliant policies, procedures and/or practices identified through the onsite review. OEC will verify through follow-up review of new data that the noncompliant policies, procedures and/or practices have been revised and the district is correctly implementing the regulatory requirements of IDEA. The follow-up review of new data will include review of individual student records and may include parent/staff/administrative interviews, as needed.

*Systemic Correction Due Date: **June 23, 2014***

Fiscal Components, OEC’s Review Findings, and District Required Actions

Component 1: Statement of Accounts

The district/school has submitted its FY12 FERs for IDEA Part B and Early Childhood IDEA.
