

Annual All-Ohio

Today, we honor your courage to serve America and your admirable spirit of community and country. Your dedication to the United States of America and the ideals of our nation and communities is commendable, and Ohio is grateful to call you one of its own.

You are joining an honorable tradition devoted to the freedom so bravely fought for by generations before. The uniform must be earned, the oath kept distinguished, and core values cherished — not only for families across Ohio and America but throughout time and around the world.
