

Autism Scholarship Program Fact Sheet

WHAT IS OHIO'S AUTISM SCHOLARSHIP PROGRAM?

The Autism Scholarship Program (ASP) gives the parents of children with autism, who qualify for a scholarship, the choice to send the child to a special education program other than the one operated by the school district of residence to receive their education and the services outlined in the child's individualized education program (IEP).

WHO IS ELIGIBLE TO APPLY FOR THE AUTISM SCHOLARSHIP?

Children who are at least three years old, but less than twenty two years old, have been identified by their school district of residence as a child with autism, and have a current, finalized IEP with that district are eligible for the autism scholarship.

HOW DO I APPLY FOR THE SCHOLARSHIP?

If a student is eligible for the autism scholarship program, the first step is to register for services with a participating autism scholarship provider. That provider will give you the form to apply and assist you by submitting your application online.

WHEN WILL AUTISM SCHOLARSHIP APPLICATIONS BE ACCEPTED?

Applications are accepted throughout the year.

WILL EVERY CHILD WHO APPLIES BE AWARDED A SCHOLARSHIP?

If a student meets the eligibility requirements, they will be awarded a scholarship. There is no cap on the number of autism scholarships available.

WHAT IS THE VALUE OF THE SCHOLARSHIP?

The autism scholarship amount is the lesser of the fee charged for the child by the special education program or up to twenty-seven thousand dollars per program year. The child must be in the program for the full academic year to receive the full amount.

WILL PARENTS HAVE TO PAY ANY AMOUNT OF MONEY?

Parents may have to pay for services not covered under the scholarship. Also, if the provider's fees for covered services exceed the amount of the scholarship, the parent is responsible for the balance.

CAN A CHILD ATTEND A PUBLIC SCHOOL AND USE THE SCHOLARSHIP?

No. The scholarship is an educational choice program. If a student is approved for the scholarship, the public district is no longer responsible for providing a Free Appropriate Public Education (FAPE). The student must use the scholarship to obtain their education AND the supportive services indicated on their IEP.

ARE CHILDREN WITH WHO ARE IN PRIVATE SCHOOL OR ARE HOME SCHOOLED ELIGIBLE TO APPLY?

Yes, but they must first obtain an IEP from their district of residence.

IF MY CHILD IS AWARDED A SCHOLARSHIP, HOW LONG CAN HE/SHE CONTINUE TO USE THE SCHOLARSHIP?

Scholarships are approved through June 30th of the current program year. Each spring, parents who are interested in continuing to receive the scholarship must submit a renewal application. If the student has a current IEP and is still qualifies for special education under the category of autism, then they can continue to receive the scholarship for the next program year. Scholarships can be renewed until the child graduates from high school or reaches age twenty two.
