

Scholarship Parent Portal

The parent portal is now available for parents to view their child's online Autism and Jon Peterson Special Needs scholarship information. The portal has been developed to improve communication and transparency. Parents will now be able to have real-time access to scholarship information such as application status, progress reports and monthly invoices. To access the scholarship system, follow the steps below.

DISCLAIMER FOR USE OF ODE PARENT PORTAL:

The Ohio Department of Education (ODE) allows parents to have access to student records through the ODE Parent portal. By creating an account with and using this Portal, the user acknowledges that the Family Educational Rights and Privacy Act ("FERPA") gives custodial and noncustodial parents/guardians certain rights with respect to their children's education records. Unless there is a court order to the contrary, both custodial and noncustodial parents have the right to access their children's education records, the right to seek to have the records amended, and the right to consent to disclosure of personally identifiable information from the records. By accessing the ODE parent portal, the user acknowledges his/her understanding of FERPA as outlined above and represents that he/she agrees to use such portal for its intended purpose and for no other purpose. The user further agrees that any actions taken through the ODE parent portal shall be consistent with any existing court order to the extent one exists and agrees to hold ODE harmless for any action taken that is contrary to any court order.

The user further agrees that when a student reaches 18 years of age, all rights under FERPA transfer from the parent to the student, and written consent is required by the student prior to allowing parent/guardian access to records.

This disclaimer is a general description of regulations under FERPA and is not intended to provide full requirements under FERPA. A full and complete copy of FERPA regulations is codified at 20 U.S.C. § 1232g; 34 CFR Part 99, and can be found online at <http://www2.ed.gov/policy/gen/ferpa/index.html>.

- If the date of birth matches, the Verification Status will be updated to  Verified. If the date of birth entered does not match our records, an incorrect date of birth message will display. You will then have another opportunity to re-enter the date of birth. If after multiple attempts you are unsuccessful with verifying your child, please contact the [scholarship office](#) for assistance. If you have multiple children participating in the scholarship programs, complete these steps until all children have been verified.
- Once your child is in Verified status, click the *Back to Student Search* link (illustrated below with arrow).

If you have forgotten your user name or password, please access the [password recovery](#) tool.

Appendix A: Setting up a SAFE Account

To access and use the scholarship application system on the Ohio Department of Education (ODE) Web site, the user must have an account set up on the Secure Application for Enterprise (SAFE) Web portal.

SAFE is a secure Web-based system that allows department of education customers to access various accounts and applications on its website in a convenient way. Each SAFE account is unique and is not shared among individuals, school districts or organization staff. Every "secure" action by a SAFE account owner in a secure web application is logged and stored for security auditing.

OBTAINING A SAFE ACCOUNT

To access any secure data systems or online applications on the department's website, a SAFE account must be set up. To obtain a SAFE account, do the following:

1. The user must have his/her state issued driver's license or state identification card on hand. Information from a valid state driver's license or state ID card will be needed to create a SAFE account. [Note: For those without an Ohio driver's license or ID card, there is a manual process for obtaining a SAFE account; follow the prompts for Option 2 at http://webapp2.ode.state.oh.us/portal/signup/DL_Entry.asp.]
2. Click the *SAFE Account Sign In* button  located at the bottom of the menu on the left side of the department's home page and follow the prompts, or click on this link: <http://webapp2.ode.state.oh.us/portal/signup/>.
3. Carefully read the agreement.
4. After reading the agreement, scroll down to the bottom of the page and click the *I Agree* button.
5. Enter the required information in the appropriate boxes and follow the directions posted on the screen. Step-by-step directions are available at <http://webapp2.ode.state.oh.us/portal/help/>.
6. Once all required information has been successfully entered, the user will receive a user name and password via e-mail with which to log onto his/her SAFE account.
