**All families applying for an EdChoice expansion scholarship must have their income verified by the EdChoice Office.** When applying for an EdChoice expansion scholarship **for the first time**, the total household income must be at or below 200% of the federal poverty guidelines (see chart above). All new expansion applicants must have a household income of 200% or lower to be awarded an expansion scholarship.

For EdChoice families who are **renewing their child’s expansion scholarship for the next school year**, the amount of the scholarship to be awarded is based on where their family’s household income falls on the federal poverty guidelines:

- **0% - 200%** = full scholarship = maximum award of \$4,650
- **201% - 300%** = 75% of the scholarship = maximum award of \$3487.50
- **301% - 400%** = 50% of the scholarship = maximum award of \$2325
- **Over 400%** = cannot renew the scholarship

Expansion families with a household income of **200% or lower** qualify for low income status. This means that the private school cannot charge these families for any tuition that is not covered by the scholarship.

Expansion families with a household income of **201% or higher** are responsible for paying any tuition difference not covered by the scholarship.
