*Students attending preschool at a private school may be eligible for scholarship if they are assigned to an eligible school for 2018-2019. Please use the Incoming Kindergartner category on the chart above to determine if preschool students currently attending private school are eligible for the scholarship. Students currently attending preschool at an eligible public school may also be eligible for the scholarship.

**New Student in Ohio = Student has never attended school (whether public, private, community/charter, or otherwise) in Ohio. This also includes homeschooled students who have never been enrolled in an Ohio school. A student who has attended school in Ohio before, moved to another state, and then moved back to Ohio is not considered as a new student in Ohio.
