- Based on the number of people in your household, if your gross annual income is the amount listed on the chart above or less, then you might qualify for low income status.
- To determine if you qualify for low income status, you <u>must</u> have your income verified by the Scholarship Program staff.
- Income status determines priority for awarding scholarships. It also determines if your family will be responsible for paying any tuition that is not covered by the scholarship.
- Obtain the Income Verification from your private school or access it on our web site, complete the form and submit the form to the address listed at the bottom, along with your income documentation.
