Notes: _____

The scholarship can only be used to pay for tuition and special education services at registered providers. All other costs are the responsibility of the parent. Each provider is required to give you their tuition and fee schedule.

You should be prepared to provide the following information to the provider: birth certificate, proof of your address (copy of recent utility bill), report cards and/ or test records from your child's previous school. A scholarship application form can be obtained from the provider.
