

**Ohio Community Collaboration Model for School Improvement Pilot
RSIT Readiness Assessment**

Think of a school with which you have a close working relationship. Keeping in mind the presentation today, rate how you think that school's leadership and staff would view the Ohio Community Collaboration Model for School Improvement for their school. Please circle the number that corresponds to your opinion.

A. The school's leadership and staff would be:

1	2	3	4	5	6	7	8	9	10
Most willing to adopt the model								Most reluctant to adopt the model	

B. The school's leadership and staff would see the model as:

1	2	3	4	5	6	7	8	9	10
Clear and understandable								Obscure and confusing	

C. The school's leadership and staff would consider the model to be a:

1	2	3	4	5	6	7	8	9	10
Good fit with their ideas about school improvement								Poor fit with their ideas about school improvement	

D. The school's leadership and staff would see the model as:

1	2	3	4	5	6	7	8	9	10
Demanding a great deal of time and effort								Not demanding a great deal of time and effort	

E. The school's leadership and staff would see the model as:

1	2	3	4	5	6	7	8	9	10
Essential to getting to good academic outcomes								Extraneous to getting to good academic outcomes	

F. The school's leadership and staff would view adoption of the model as:

1	2	3	4	5	6	7	8	9	10
Unnecessary								Necessary	

G. The school's leadership and staff would see the model as providing:

1	2	3	4	5	6	7	8	9	10
Substantial benefits to their work with students								No benefits to their work with students	

(Please continue on the back)

H. The school's leadership and staff would view the model as:

1	2	3	4	5	6	7	8	9	10
Logical, based on sound evidence								Not valid in concepts and methods	

I. The school's leadership and staff would be:

1	2	3	4	5	6	7	8	9	10
Resistive to implementing the model in their school							Open to implementing the model in their school		

J. The school's leadership and staff would view the model as:

1	2	3	4	5	6	7	8	9	10
Timed just right to fit with other school improvement efforts							Poorly timed to fit with other school improvement efforts		

K. In your opinion, how much technical support would this school need to plan and implement the model?

1	2	3	4	5	6	7	8	9	10
Very little								Substantial	

Please provide any addition comments or reflections about the model – especially from your view as a technical support and assistance provider.

Thank you for your help
