I would like to declare my intent to participate in the College Credit Plus (CCP) program during the coming school year. I understand that signing this form does not require participation during the 2018-2019 school year.

I also understand that submitting this Letter of Intent does not guarantee admission to a college or university and it is my responsibility to apply to a participating institution of higher education for admission under CCP. Upon admission to an institution of higher education, it is my responsibility to complete and electronically submit an online Application for College Credit Plus Funding.

I understand that submitting the intent to participate letter does not guarantee participation in the CCP Program. To be considered for CCP funding, I am aware that submitting an electronic funding application means the following:

• A SAFE account must be created in the parent’s name
• The parent must request access to the College Credit Plus funding application (through SAFE)
• The parent must complete and submit the funding application electronically (through SAFE) no later than April 13, 2018 at 5 p.m. EST. The Ohio Department of Education does not have legal authority to process applications submitted after the deadline.

By signing this form, I certify that the Ohio Department of Education is not liable for a student’s funding if I do not complete and submit the CCP funding application through the SAFE account by the deadline.
