

FAIRLESS LOCAL SCHOOLS

Remote Learning Plan & FAQs

This guide is meant to be a tool to help students and parents understand how our remote learning program will operate and provide information to frequently asked questions. This guide is intended to serve as a roadmap for how school will operate in a remote environment. Please do not hesitate to email your child's principal or teacher with any questions.

If Fairless Local Schools would close and use remote learning, parents and students should anticipate that the district will need one week to train staff and orient students to digital learning before remote learning will begin.

Tech Support

Tech support is available for students and parents who need assistance with remote learning. Please email techsupport@fairless.sparcc.org or falconhelpline@fairless.sparcc.org

FAIRLESS LOCAL SCHOOLS

6-8	ALL Courses will use the Acellus Learning Platform
9-12	Core Courses will use the Acellus Learning Platform, elective courses will use Google Classroom, and College Credit Plus courses will use platforms as prescribed by the university.
Special Education and Gifted	<p>Teachers will continue to provide direct services using Successmaker, Google Classroom, or other appropriate platform. They will make a good faith effort to provide the services following a schedule that will closely mirror a student's normally scheduled intervention time. They will continue to support General Education teachers in co-planning the lessons to make them accessible for students. You can also reach them on a daily basis via email.</p> <p>Reading and gifted specialists will meet/work with students virtually as needed. They will continue providing services to their caseloads, primarily in a one-on-one format, throughout the course of each week.</p>

Remote Learning Expectations for Parents

We need your partnership, now more than ever, to help your child to be successful with remote learning. Your child will need guidance on staying active, following daily schedules, keeping in communication, and will need checked in on to make sure they are progressing. Please work with them to set up a routine in an environment that mimics school the best that you can.

Parents should use the parent portal in Acellus to check student progress and be in contact via email with their student's teachers.

Teachers will set up office hours that will be communicated to parents through Dojo or email. Please understand that this is when our teachers will respond to parent questions or concerns.

If you run into to issues or have questions, please use our helpline at:
falconhelpline@fairless.sparcc.org
