Below are the necessary components of a Remote Learning Plan in accordance with House Bill 164 Section 16.

How will instruction take place?

- Teacher-student interaction through online learning platforms
- Online lessons for student to work on at home
- Offline lessons and instructional packets for students

Teachers will instruct through a variety of strategies that promote differentiation by allowing students to choose/emphasize the approach they find most effective. Weekly instructional strategies may include:

- Live online sessions
- Recordings of live online sessions
- Pre-recorded lessons
- Online educational programs
- Parent consultation
- Regular office hours to address parent/student questions.

How will instructional needs be determined and documented?

- Teachers will give formative assessments to students at the beginning of school year to assess prior learning to inform instructional strategies and interventions.
- Teachers will continue to monitor students' progress to help design instruction and report to parents throughout the course of the academic year.
- Clear instructional plans have been created for each grade and course and will be communicated to staff, parents, and students.

How will the school monitor student progress?

- Student grades will be kept up-to-date in Progress Book to allow for students, teachers, administrators, and parents to monitor student success.
- Teachers will share information with parents via Google Classroom, email and over the phone.
- Students that appear to be falling behind will be contacted by teachers. Missing assignments will result in a teacher referral to the principal/counselor for additional follow up.

What is your school's plan to ensure equitable access to quality instruction?

Technology Needs:

- Students/Families will be surveyed to determine technology needs.
- Internet access includes our parking lots.
- If circumstances allow, students without internet access may be permitted on campus for a portion of the day.
- Students on an IEP will be expected to meet with their Intervention Specialist via live online meetings. If circumstances allow, this meeting may take place on school campus.
- 1:1 Devices K-12; provide wi-fi as feasible.

What professional development will be offered to teachers for remote learning?

- FCS adjusted the start date to provide PD for effective and rigorous online learning including training on the Edmentum Learning Platform.
- Teachers participated in summer PD for online learning.
- Teachers will have ongoing access to a video library of resources to further their understanding of online teaching and learning tools.
- Teacher-led remote/blended learning conversations and demonstrations to enhance online instructional practices.

What method(s) will be used to determine competency and granting credit?

At the beginning of the school academic year students will complete a variety of grade level assessments determined by teachers to help assess each student's current level of achievement. These baseline diagnostic assessments will assist in differentiating each student's instructional need and will continue to guide curriculum development so that students' progress can be monitored and reported accurately throughout the course of the academic year.

Mastery of Content: Each teacher will assess mastery of content based upon completion of state standards for their subject area.

Student Demonstration of Competency: Each student will complete assignments and assessments that were constructed based upon state standards in that given subject area.

Granting Credit & Promoting Students: Credit will be granted in accordance with FCS Board adopted policy and state graduation requirements. Students will be promoted in accordance with FCS Board adopted policy on promotion and retention of students.
