

Remote Learning Plan For Ottoville Local Schools

The Ottoville Local School system will utilize Schoology which is an on-line Learning Management system which encompasses the following:

- Instructional Needs documented all online for all stakeholders to view
- Competency and credits per class are recorded in Schoology and available for all stakeholders to view
- Student progress will be monitored daily with messages being delivered through Schoology to parents and students
- Teachers have been trained on on-line instruction utilizing Schoology allowing equitable access and quality instruction to students
- Teachers have been trained in the use of Schoology and will have 3 days of training prior to the start of the 2020-21 school year as a refresher.
- Schedules for online schooling attached
- All online courses are aligned with State Standards
- All students have school issued devices and all students have connectivity
- All students will be assessed individually utilizing online programs like IXL Math, IXL Language etc. Utilizing these programs allows flexibility to occur.
- Parents/students have continued to receive information from the school on a weekly basis from March 13th to July 29, 2020
