

Remote Learning Plan Checklist

- Riverside Local Schools will offer families the option of an online platform due to the COVID-19 crisis. Virtual Learning Academy (VLA) will be provided at no cost to the student during the 2020-21 school year. Families must sign up for this option through completing a survey through Final Forms. Families understand that this option is a semester commitment.
- Riverside Local Schools will utilize their own teachers to grade VLA student work when possible. When it is necessary, VLA teachers will be hired to grade student work. Grades and credits will be awarded based on successful completion of each course using Riverside's grading scale.
- Riverside Local Schools will offer support through Google Meet to all students engaging in virtual learning during this crisis. However, it is understood that this must be requested by the student/family to a specific teacher. The teacher must then agree to the method and time of the assistance.
- Student attendance and progress will be monitored through the completion of lessons within the courses. Failure to make adequate weekly progress will result in a phone call to the family to discuss the barriers to learning and how we can assist the student. However, the student will be held accountable for their grades at the end of the quarter and semester.
- VLA offers a highly engaging and rigorous learning environment that fulfills all Ohio's learning standards.
- Student services coordinator, principals, and participating teachers will be trained on the VLA platform through online webinars.
- Each student will be given a full schedule that mirrors what their in-house schedule would have been. This will allow a smooth transition, if the family wishes, to switch to in-person instruction after the semester ends.
- VLA students will be held to the same standards as they would be if they were attending in-person classes. Regular attendance and grades will be subject to extra-curricular policies.
- This plan, as well as other plans and expectations can be found on our website and FaceBook page.
