

**Shawnee Local School District Remote Learning Plan
2020 - 2021 School Year**

District Name	Shawnee Local School District
District Address	3255 Zurmehly Rd. Lima, Ohio 45806
District Contact	Amber Straub
District IRN	045799

The Shawnee Local School District's remote learning plan is intended to provide flexibility in the delivery of instruction to students during the 2020 - 2021 school year. The following remote learning plan is designed to meet student and family needs and preferences. We recognize that the pandemic has created an ever changing environment for all. Therefore, instruction may be delivered entirely digitally or in combination of digital and in person (hybrid). There may be times throughout the course of the upcoming year that students may need to move from in person to digital with short notice. When students are not receiving instruction in person (either by preference or need), it is our intent to deliver content digitally. When that is not feasible instruction will be delivered paper pencil.

Instruction will take place:

- Teacher-student interaction through online learning platforms
- Online lessons for student to work on at home
