

**OHIO DEPARTMENT OF EDUCATION
OFFICE OF FINANCE PROGRAM SERVICES
FUNDING APPLICATION FOR POST-SECONDARY OPTION "B" PROGRAM**

SECTION I Name _____ School Year of Participation _____
Traditional Public, Nonpublic or Community
High School _____ School District _____
Grade Level 09 ☐ 10 ☐ 11 ☐ 12 ☐

SECTION II Method to be used to convert credit earned through successful completion of college courses to Carnegie Units of high school credit:

1 ☐ College courses of which five semester hours of credit earned will be awarded one Carnegie Unit (fractional units will be awarded proportionately).

2 ☐ College courses will be substituted for courses required for high school graduation, credit based upon comparability of content and without regard to instructional time.

3 ☐ A locally developed alternative method approved by the State Superintendent of Public Instruction.

SECTION III 1 plus 2 or 3 must be completed to determine the percentage factor for payment to post-secondary institution:

1 _____ Number of periods available in the home school day (excluding lunch). Typically there are 7-8 periods in a school day.

2 _____ Number of Carnegie units the student has scheduled at home school. Typically each Carnegie unit equals one period or between 120 - 150 hours of instruction.

FOR VOCATIONAL STUDENTS ONLY: (JVS or Contract Vocational)

3 _____ Number of Carnegie Units student has scheduled at JVS.
