Request an Educator State ID

The Ohio Department of Education creates and assigns Educator State ID numbers to individuals for use in the CORE system. The Educator State ID is necessary to complete an application for licensure. Educator State IDs also help Department staff identify and eliminate the occurrence of duplicate records in the Department’s database.

Please complete the following steps to request an Educator State ID:

**Step 1.** First, you must have an OH|ID account and create a Department of Education Profile. If you have not completed these steps, please follow the instructions beginning in the *Create an OH|ID Account* section of this manual.

(Figure 26 CORE Dashboard)
**Step 5.** Click **Obtain Educator State ID** and answer the questions in the pop-up box. If you answer **Yes** to any of these questions, you already have an Educator State ID. You may be prompted to select an account that matches your demographic information. Once you have answered all the questions correctly, your Educator State ID will be assigned automatically and appear on your CORE Dashboard under **My Educator State ID**.

**Please note:** If you are a credentialed educator in the State of Ohio, you already have an Educator State ID. You will see it on your CORE Dashboard under **My Educator State ID** and in My Profile under **Educator State ID.** **IF** you are a credentialed educator in the State of Ohio **and** the **Obtain Educator State ID** button appears, you may have a duplicate record. This requires maintenance in the Department’s data system. **DO NOT click Obtain Educator State ID if you are a credentialed educator.** Please contact Educator Licensure Customer Support at Educator.Licensure@education.ohio.gov to correct the duplicate records.

NAME CHANGE

Please follow the directions below to change the name that appears on your educator license or permit. Please note that the name on your educator license must match the name on your current, valid Ohio driver’s license or state ID card. If your driver’s license or state ID card reflects a different name, you must first update your state ID at the Bureau of Motor Vehicles. The process to change your name in CORE and your OH|ID account will not work if your name does not match what appears on your driver’s license or state ID card.

Updating your name is a two-part process. First you will update your name within CORE. Then you will update your name in your OH|ID account.

Part 1. Update your name in CORE.

- Login to your OH|ID account (https://ohid.ohio.gov).
- Under My Apps, click Educator Licensure and Records (CORE).
- At the top of the screen you will see Welcome and then your name.
- Click your name. The screen will show the contact information for your CORE account.
- Click Manage Name. A warning will display.
- Click Change Name to proceed.
- Enter your Ohio driver’s license or state ID number. If you do not have an Ohio driver’s license or state of Ohio ID card, select click here to upload a scanned copy of your identification card.
- Enter your first name, middle name and last name. Please note, this information must match exactly as it appears on your current Ohio driver’s license or state ID card.
- Click Save. Your updated information should now be displayed.

Part 2. Update your name in your OH|ID account.

- After completing the directions above, click the blue LOGOUT button in the upper right of MY HOME PAGE. Your screen will update, and you will be routed to the OH|ID Dashboard.
- Click the small triangle to the right of the User Account Management menu. This will open a menu with an option to Update Profile. On the Update Profile screen, you can update all your information. Update your profile name to match what you entered in CORE. Your name must match exactly to link your OH|ID profile to your CORE profile.
- Make the necessary changes.
- Double-check the information is correct and click Update.
- Under account settings, click Manage Name to update your information.
- Log out.
- Close all browser windows.
- Log back in.

Logging out and logging back in is essential for allowing the system to update your profile. You may verify your updated information by viewing your CORE profile and your OH|ID profile. You may also print a revised copy of your active license or permit reflecting your name change under My Credentials from your CORE Dashboard.

If you encounter any error messages during this process, please email profile.help@education.ohio.gov with the error message and a summary of what you are trying to accomplish.
