

## ADVANCE

*The employing STEM school initiates this form. The applicant must upload this completed form with the online application to ADVANCE the 2-Year Provisional STEM license to the professional license (based on completion of a structured apprenticeship program through an Ohio Educational Service Center and teaching experience under the provisional STEM license).*

| 1. APPLICANT  |   |                                       |
|---|---|---------------------------------------|
| Last Name   | First Name                                  | Educator State ID                     |
| <b>Teaching Field(s):</b><br><br><div style="display: flex; justify-content: space-around;"> <div style="text-align: center;"> <p><b>Computer Information Science (111780)</b></p> <p><b>Integrated Mathematics (110094)</b></p> </div> <div style="text-align: center;"> <p><b>Integrated Science (132010)</b></p> <p><b>Technology Education (160610)</b></p> </div> </div>   |   |                                       |
| <b>Applicant Verification:</b> <i>I have met all apprenticeship program and teaching requirements for the requested teaching field.</i>   | Applicant Signature                         | Date                                  |
| 2. OHIO STEM SCHOOL   |   |                                       |
| <b>Ohio School Employment Verification:</b> <i>I verify that the applicant has completed two full school years of teaching experience under the provisional license for the requested teaching field and is an effective teacher. I recommend the candidate for the professional license in the requested teaching field.</i>   | STEM School Chief Admin. Officer (CAO) Name | STEM School CAO Signature and Date    |
|   | STEM School Name                            | STEM School IRN                       |
| <p><b><i>Candidates must complete either an apprenticeship program through an Ohio Educational Service Center OR an approved teacher preparation program through a university. Complete section 3 below only if the candidate completed an apprenticeship program through an Ohio ESC. Candidates who completed a traditional teacher preparation program through an accredited university (in accordance with section 3333.048 of Ohio Revised Code) must apply for a NEW professional license and indicate in the online application which Ohio university program they completed, OR apply as an out-of-state applicant (if an approved teacher preparation program through an out-of-state university was completed).</i></b></p> |   |                                       |
| 3. OHIO EDUCATIONAL SERVICE CENTER (ESC)  |   |                                       |
| <b>Ohio Educational Service Center (ESC) Verification:</b> <i>I verify that the applicant has completed an apprenticeship program (in accordance with section 3319.28 of Ohio Revised Code) and is an effective teacher. I recommend the candidate for the professional license in the requested teaching field. Complete this section only if candidate completed an apprenticeship program through an Ohio ESC.</i>   | ESC Apprenticeship Program Admin. Name      | ESC Program Admin. Signature and Date |
|   | ESC Name                                    | ESC IRN                               |
