Accessing the CORE System

Access to the Ohio Department of Education’s Connected Ohio Records for Educators (CORE) system is available through the Department’s OHID portal. The OHID portal is an identity solution from the InnovateOhio Platform. The goal of OHID is to create one simple and secure location for all Ohio citizens to access information and conduct business with the State of Ohio. Through OHID, Ohio Department of Education users can access Department of Education and other statewide applications in a more secure, streamlined way.

Users must have an OHID account to access the CORE system. Begin by visiting the Department’s webpage at education.ohio.gov.

**Step 1.** Click the *Login* link at the top of the page.

(Figure 1 Department of Education Homepage)

**Step 2.** Choose *OHID Portal*.

(Figure 2 Login Option Dialog Box)
Step 3. Enter your username and password and click Log In. If you do not have an OHID account, click Create New Account and follow the instructions to create one. Click here to view the Department of Education OHID Portal Help webpage for additional assistance (see How to Create a New OHID Account and Department of Education Profile under Resources). Click the Forgot username/password? link if you do not remember your username or password.

(Figure 3 OHID Homepage)
**Step 4.** The *My Apps* section of the OHID homepage will be displayed after you successfully log in to the system.

![Figure 4 OHID Dashboard](image)

The *My Apps* section of the OHID homepage houses tiles for applications that you have previously accessed. The *Available Apps* section houses tiles for applications you may access but have not yet configured.

**Step 5.** To request access to an application, click on the tile for that application. Additionally, you can use the search bar next to *Available Apps* to search for a specific application tile you wish to access.

**Step 6.** After you click on the tile, the terms and conditions for the application will pop up. Once you have scrolled to the bottom of the pop up, click the box next to *I Agree*. A checkmark will appear indicating you have accepted the terms and conditions. After accepting the terms and conditions, click the *Request Access* button to request access to the application.
How Do I Request an Educator State ID Online?

The Ohio Department of Education creates and assigns Educator State ID numbers to individuals in CORE. The Educator State ID is necessary to complete an application. Educator State IDs also help Department staff identify and eliminate the occurrence of duplicate records in the Department’s database.

Please complete the following steps to request an Educator State ID:

1. First, you must have an OHID account. If you do not have an OHID account, please follow the instructions in the Accessing the CORE System section of this manual.
2. After you have created an OHID account, log in to the OHID portal and click Educator Licensure and Records (CORE) under My Apps.
3. Select My Profile in the red ribbon on the CORE Dashboard.

Please note: If you are a credentialed educator in the State of Ohio, you already have an Educator State ID. You will see it on your Dashboard and in My Profile. IF you are a credentialed educator in the State of Ohio and the Obtain Educator State ID button appears, you may have a duplicate record. This requires maintenance in the Department’s data system. DO NOT click Obtain Educator State ID if you are a credentialed educator. Please contact Educator Licensure Customer Support at Educator.Licensure@education.ohio.gov to correct the duplicate records.
4. Click Obtain Educator State ID and answer the questions in the pop-up box. If you answer Yes to any of these questions, you already have an Educator State ID. You may be prompted to select an account that matches your demographic information. Once you have answered all the questions correctly, your Educator State ID will be assigned automatically and appear in the Educator State ID field on the My Profile screen.
Educator Licensure and Records (CORE)

You will be able to navigate the Educator Licensure and Records (CORE) online system from your CORE Dashboard. This easy-to-use page allows you to access the features in CORE. The items that appear on your CORE Dashboard are customized to you. The red ribbon at the top of the page will indicate access areas based on your unique user role(s).

My Profile

The My Profile section of the Dashboard houses your demographic information. Please note that you must update your information under My Profile before starting or submitting an application. To access your information in My Profile:

1. Click My Profile in the red ribbon at the top right of the screen on the CORE Dashboard.
2. Update your information (address, phone or email) by clicking the icon.
   - Click Edit in the section that needs updated and make the necessary changes in the pop-up box.
   - Click Save.
   - Click Return to Page when you are finished updating your information.
3. Click Go back to Dashboard to return to your CORE Dashboard.

It is important to keep your information current. The Department uses the information in My Profile to contact applicants regarding their applications.

NAME CHANGE

Please follow the steps below to change the name that appears on your educator license or permit. Please note that the name on your educator license must match the name on your current, valid Ohio driver’s license or state ID card. If your driver’s license or state ID card reflects a different name, you must first update your state ID at the Bureau of Motor Vehicles. The process to change your name in CORE and OHID will not work if your name does not match what appears on your driver’s license or state ID card.

Updating your name is a two-step process. In the first step you will update your name within CORE. In the second step you will update your name in OHID.

Step 1 – Update Your Name in CORE

1. Login to OHID (https://ohid.ohio.gov).
2. Under My Apps, click Educator Licensure and Records (CORE).
3. At the top of the screen you will see Welcome and then your name.
4. Click your name. The screen will show the contact information for your CORE account.
5. Click Manage Name. A warning will display.
6. Click Change Name to proceed.
7. Enter your Ohio driver’s license or state ID number. If you do not have an Ohio driver’s license or state of Ohio ID card, select click here to upload a scanned copy of your identification card.
8. Enter your first name, middle name and last name. Please note, this information must match exactly as it appears on your current Ohio driver’s license or state ID card.
9. Click Save. Your updated information should now be displayed.
Step 2 – Update Your Name in OHID

1. After completing Step 1, click the blue LOGOUT button in the upper right of MY HOME PAGE. Your screen will update, and you will be routed to the OHID Dashboard.

2. Click the small triangle to the right of the User Account Management menu. This will open a menu with an option to Update Profile. On the Update Profile screen, you can update all your information. Update your profile name to match what you entered in CORE. Your name must match exactly to link your OHID profile to your CORE profile.

3. Make the necessary changes.

4. Double-check the information is correct and click Update.

5. Under account settings, click Manage Name to update your information.

7. Close all browser windows.

8. Log back in.

Logging out and logging back in is essential for allowing the system to update your profile. You may verify your updated information by viewing your CORE profile and your OHID profile. You may also print a revised copy of your active license or permit reflecting your name change under My Credentials from your CORE Dashboard.

If you encounter any error messages during Steps 1 or 2, please email profile.help@education.ohio.gov with the error message and a summary of what you are trying to accomplish.
