

Resident Educator Year 3 Areas of Focus	
Element	Standard 1: Students
1.3P	Set specific and challenging expectations for each individual student and each learning activity.
Elements	Standard 2: Content
2.1P	Seek out opportunities to enhance and link their content knowledge to instruction based on students' prior knowledge and future learning.
2.4P	Make relevant content connections between disciplines or content areas.
2.5P	Use a variety of resources to enable students to experience, connect, and practice real-life/real-world and career applications.
Elements	Standard 3: Assessment
3.2P	Purposely plan, differentiate, and modify assessments to meet the full range of student needs, abilities, and learning styles.
3.3P	Interpret and analyze data to differentiate learning for and tailor instructional goals to individual students; to reveal trends and patterns in individual and group progress; and to anticipate potential learning obstacles.
3.5P	Provide students with opportunities to assess and articulate the knowledge and skills they have gained.
Elements	Standard 4: Instruction
4.1P	Select learning experiences with clearly defined goals that align with school and district curriculum priorities, and state academic content standards.
4.7P	Select and prioritize teaching resources and curriculum materials for their comprehensiveness, accuracy, and usefulness in representing particular ideas and concepts and for meeting individual student's needs.
4.7P	Effectively support students in their use of technology.
Elements	Standard 5: Learning Environments
5.3P	Foster student enthusiasm for and curiosity about the discipline
5.4P	Articulate a rationale for and use various learning models, such as cooperative learning, inquiry learning, self-directed or project-based learning.
5.4P	Engage students in opportunities to independently practice and reflect on new concepts and skills.
Elements	Standard 6: Collaboration and Communication
6.1P	Use communication strategies to convey ideas, ask questions, and stimulate discussion.
6.3P	Consult with and learn from colleagues in planning and implementing their own instruction.
6.4P	Collaborate with and involve local community members in classroom activities that advance student learning.
Elements	Standard 7: Professional Responsibility and Growth
7.1P	Meet their ethical and professional responsibility with integrity, honesty, fairness and dignity.
7.2P	Work collaboratively to determine and design appropriate professional development opportunities for themselves.
7.3P	Participate in team of departmental decision making.
