

# Ben's Tooth

**Ben's tooth was loose. He ran into the family room.**

**He told Mom, "My tooth is loose."**

Mom said, "What did you do, Ben?  
Did you bump it?"

Ben said, "No."

Mom said, "Did you eat a hard  
apple?"

Ben said, "No."

**The tooth jiggled.**

**Plunk! His loose tooth fell on the floor!**

**Mom said, “Did you trip on a toy?”**

**Ben said, “No.”**

**Mom said, “Did you jump on your bike?”**

**Ben said, “No.”**

**“Then it must be time for a new tooth,” Mom said.**

**Ben looked and looked.**

**He didn’t see any new teeth.**

**He didn’t feel any new teeth.**

**Ben brushed his teeth in the bathroom.**

**The tooth wiggled.**

**Ben kissed his Mom.**
