*Effective Spring 2017 these English Language Arts tests (grades 6-8, ELA I and ELA II) will have two writing prompts as described in the Ohio Blueprint. Students need adequate time to organize and support their responses with facts from the reading passages. The testing time noted above for these ELA tests are divided into two sessions of 1 hour and 45 minutes each. Students needing additional time to complete the test may be allowed, at each district's discretion, 30 additional minutes (15 minutes per session for a total of two hours per session). Not all students will need this additional time and, in some sessions, no students will need this time. Schools also should provide students with disabilities additional time as needed, according to their individualized education programs. 2/15/17
