### **Directions:**

Today you will be taking the Ohio Grade 4 Writing Achievement Test. This is a test of how well you write. Three different types of questions appear on this test: fill-in, multiple choice and response to writing prompts.

There are several important things to remember:

- Read each question carefully. Think about what is being asked. If a graph or other diagram goes with the question, look at it carefully to help you answer the question.
   Then choose or write the answer that you think is best.
- When you write your answers, write them neatly and clearly in the space provided using a pencil.
- When you are asked to select the answer, make sure you fill in the circle next to the correct answer. Mark only one answer.

### Writing a Letter

In this activity, you will write a letter. Remember to use the Revising Checklist and the Editing Checklist at the end of the writing activity to check your work.

Imagine your class went on a field trip, for example, to a park, the local library, a museum, the zoo, a newspaper office, or another place.

Write a <u>letter</u> to thank your teacher for taking your class on the trip. Be sure to include what you liked about the trip and some details about what you did on the trip.
