The state, district, school and class % reflect the percent of students selecting the correct response for multiple choice items.

The state, district, school and class mean reflects the average scores of students for short and extended response items.

To view actual test questions, please visit the ODE Web site "http://www.success.ode.state.oh.us/" or refer to Ohio Department of Education publications.

Not all items from the March 2006 administration will be released. According to Ohio Revised Code (ORC) 3301.07.11:N4(b).....not less than forty percent of the questions on the test that are used to compute a student's score shall be public record. The Ohio Department of Education shall determine which questions will be needed for reuse on a future test and those questions shall not be public records and shall be redacted from the test prior to its release as a public record.
