58	Big Brothers Big Sisters of West Central Ohio, Inc	Allen	Hardin County Common Pleas Court - Juvenile Division (NFP), Hardin County Sheriff (NFP), U.S. Bank (B), Our Savior's Lutheran Church (F/V)	Hardin Community School, Lima City	Hardin Community School, Lima City Schools	The Hardin Community School, Lima City Schools program matches adult mentors with students in Hardin Community School and high school mentors with students in Lima City Schools. The program matches these students in one-to-one relationships with adult mentors and complements the school's existing programs by providing the individual attention these children need to thrive. In Lima City Schools, where many students live in severe poverty, the program matches at-risk middle school students in one-to-one relationships with Lima Senior High School students in "Big Spartans/Little Spartans."	\$ 67,375.44	John Neville	419-222-8500
75	*Health Partners of Western Ohio	Allen	Bradfield Community Association (NFP), Swartz Contracting (B), City of Lima (B), In Faith Ministries (F/V)	Lima City	The Tomorrow Project at Bradfield Center	The Tomorrow Project will connect mentors with students in grades 6-12, building a support team for Lima City School Students. The Tomorrow Project will continue to utilize the unique approach of matching each mentee with up to five mentors. By doing so, this will create a team approach mentorship as well as provide mentors an option to rotate the duties that are expected with volunteer mentors. mentees will be required to identify up to three career choices and advised to meet with the Tomorrow Project director to discuss identified career choices and goals.	\$ 100,000.00	Janis Sunderhaus	419-221-3072
7	*Brown County Chamber	Brown	First State Bank (B), Brown County Agricultural Society (F/V), Southern State Community College (F/V), Ohio Means Jobs - ABCAP - Adams-Brown County (F/V), Southern Hills Career and Technical Center (F/V), 40 Developmental Assets (F/V), Brown County Educational Service Center (F/V), Brown County Board of Mental Health & Addiction Services (F/V)	Georgetown Exempted Village, Eastern Local, Ripley-union-Lewis-Huntington Local, Western Brown Local, Bright Local	Community Connectors Project Discovery	Project Discovery engages business, civic and community volunteers with 120 eighth graders for 20 weeks to prepare for future careers. The program begins with students in 8th grade and systemically develops each year until graduation. It is not limited to a school year and encourages relationships with business mentors all year round. Providing experiences for students to become more aware of STEM careers and regional opportunities for employment not only retains talent for local businesses but also strengthens all aspects of economic development. Our students will be better prepared for whatever path they choose because they will have the skills and knowledge to pursue and maintain successful employment. Project Discovery's overall goal is to strengthen our future generations' potential for becoming successful citizens.	\$ 86,165.00	Brian Elliott	937-378-4784

51	*Big Brothers Big Sisters of Butler County	Butler	Greater Hamilton Chamber of Commerce (NFP), Startek (B), United Methodist Churches (F/V)	Hamilton City	One to One Mentoring	The One to One Mentoring program provides one-to-one mentoring to 50 youth identified as highly at risk. These grades 5-8 students from Hamilton City Schools see their mentors one-to-one at least two times per month. During this time, they build strong, professionally supported relationships that benefits both the mentors and the mentees. An additional meeting time is in a large group setting. These large groups have different career-based focuses each time they meet and are highly interactive, experiential and creative. Some meet at Miami University/Hamilton campus and others off-site at a location pertinent to the theme.	\$ 100,000.00	Carolyn Winslow	513-867-1227
30	Community Building Institute Middletown, Inc.	Butler	Middletown College Pledge (NFP), Chamber of Commerce (Serving Monroe, Middletown and Trenton Ohio) (NFP), Big Brothers Big Sisters of Butler County (NFP), Junior Achievement of Middletown Area Inc. (NFP), Access Counseling Services (B), Crosspointe Church of Christ (F/V)	Middletown City	Connections Mentoring Collaborative (CMC)	The Connections Mentoring Collaborative program prepares students for future success through work readiness curriculum, college and career planning and mentoring. The collaborative provides Junior Achievement programs to students in grades 6-12 that are designed to lead students through a process of exploring their skills, interests and values and connect what they are learning in school to their future career opportunities.	\$ 100,000.00	Karin Maney	513-425-7866
73	*Family and Youth Initiatives	Clark	New Carlisle Rotary Businesses (B), Dayton Hispanic Chamber of Commerce (B)	Tecumseh Local	FOY THE FUTURE IS OUR YOUTH	The Future is Our Youth program mentors will use a series of videos to mentor in one-on-one sessions with their mentees to help them understand and achieve goals. The program will use assessments, job fairs, college visits and job shadowing with business professionals, so youth can understand the mechanics of various careers, academic requirements and rigors of jobs. The program will work with them to help the older youth get job shadowing in their career fields of choice, so that they can see if it is meant for them. With the mentoring and the jobs, the program will allow them to build character, with a sense of resiliency, and prepare them for the 21st century career fields. Businesspeople will mentor high school students and high school students will peer mentor middle school students in the Tecumseh School District. The youth will be with their mentors at least one hour a week throughout the school year.	\$ 99,864.00	Pat Banaszak	937-845-0403
82	The Nehemiah Foundation	Clark	United Way of Clark, Champaign and Madison Counties (NFP), Itinerant Studio (B), Rocking Horse Center (B)	Springfield City	Clark County Community Connectors	The Clark County Community Connectors program uses mentoring and career readiness to move kids toward graduation, character development, creativity and resilience to believe in a better future. The program replicates and adapts the Connected Mentor framework, a youth-driven, best practice and evidenced-based model, to build relationships with youth using Natural mentors (long-term and short-term mentoring in an unstructured setting based on common interests), Content mentors (short-term mentoring in a structured setting offering technical expertise) and Program mentors (long-term mentoring in a structured setting developing relationships and leveraging resources).	\$ 94,881.20	Shelley Lopez	937-325-6226

112	United Way of Clark, Champaign and Madison Counties	Clark	Champaign County Chamber of Commerce (NFP), Champaign Economic Partnership (NFP), Child & Family First Council (NFP), Urbana University (B), Champaign County Council of Ministries (F/V)	Graham Local	Read, Imagine, Soar	The Read, Imagine, Soar program targets students in grades preK-5 that are at risk, with the goal to provide fundamental literacy skills needed and community participation in early literacy education. The program will build an enticing resource library and invite children, parents and the community to use it, initiate the Dolly Parton Imagination Library program and develop a community partnership to sustain access to free books each month for children birth-5 years old. It will implement Check & Connect, a research-based mentoring program that improves student and family outcomes through relationship-building, problem-solving, capacity-building and persistence.	\$ 87,000.00	Kerry Pedraza	937-324-5551
20	*Clermont County Chamber of Commerce Foundation	Clermont	Clermont County Educational Service Center (NFP), Eastern Area United Way (NFP), Great Oaks Institute of Technology and Career Development (NFP), Child Focus (NFP), Siemens PLM Software (B), Center Bank (B), Clermont Family YMCA (F/V), Landmark Ministries of Batavia (F/V)	Felicity-Franklin Local, New Richmond Exempted Village, Great Oaks Career Campuses, U S Grant, Williamsburg Local, Goshen Local, Clermont Northeastern Local, Bethel-Tate Local, Batavia Local	Work Readiness Initiative	Business/community leaders collaborate with schools to mentor students in work readiness skills in order to build hope for bright futures. The Work Readiness program is uniquely qualified to help students set goals to be prepared for 21st century careers, since the majority of our volunteers come from the business community. Mentors will utilize their own experiences, network and knowledge in conjunction with teachers and mentoring coordinators to guide their students. They will use actual situations that the student may bring to the discussion (i.e. lack of college funding, academic problems, social or family issues) to help the student map out a path to success.	\$ 75,214.00	Susan McHugh	513-260-1085
40	*First Step Fmly Vlnc Intrvntn	Coshocton	Job and Family Services (B), Three Rivers District (F/V)	Ridgewood Local, Coshocton City, River View Local	The After School Mentoring Program	The After School Mentoring Program seeks to connect adults from the community with students, providing both encouragement and empowerment in helping students achieve their dreams and goals. Each month a different educational or informational program will be conducted. Such programs will include, but are not limited to, nutrition, suicide, alcohol/substance abuse, sexually transmitted diseases, grief, the arts, money management, resume writing, trade skills, and college and career readiness, self-defense, healthy relationships, entrepreneurship, insurance, yoga mindfulness, martial arts, separation of reality and fantasy of gaming (addiction to video games), master gardeners, stress relief exercising, youth theatre production, family informational nights for parents/guardians, crafts, homework study skills and dating violence/sexual assault.	\$ 100,000.00	Victoria Laudick	740-622-8504

26	*Crawford County Education & Economic Development Partnership	Crawford	Community Foundation of Crawford County (NFP), Crawford County Mentoring Program (NFP), Pioneer Career and Technology Center (NFP), Arctic Cat (B), Bucyrus Precision Tech (B), Ohio Mutual Insurance Group (B), General Electric Bucyrus (B), Hord Livestock (B), Advanced Fiber Technology (B), IB Tech (B), AEP Ohio (B), BORN (F/V), Young Life (F/V)	Wynford Local, Bucyrus City, Galion City, Buckeye Central Local, Crestile Exempted Village	Preparing Students for Success	"Preparing Students for Success" is a multifaceted program that involves eight components: "The Leader in Me," W.A.G.E (Workforce Awareness for Graduates and Educators), Crawford County Mentoring Program, S.T.R.I.V.E (Students Taking Interest in the Value of Education), Senior Project, Senior Day, Getting Ahead, and Project MORE. Six of these eight components involve developing and sustaining one-to-one mentor/mentee relationships. This level of programming will draw upon the coordinated effort of business/industry, education, faith-based groups and nonprofit organizations. It demonstrates the highest level of collaboration and is a model for sharing services within a community.	\$ 100,000.00	Steve Mohr	419-834-0553
17	*A Cultural Exchange	Cuyahoga	Soul Republic United Restaurants (B), Olivet Institutional Baptist Church (F/V)	E. Cleveland City Schools	Chapters 4.0: Book Club	The Chapters 4.0 Book Club program focuses on at-risk African Americans. Initially 40 mentors will be paired with 40 boys ages 9-16, male students within grades 5-12. This is a unique program model that features mentors and mentees in one-on-one interactions and allows for the inclusion of the mentees' parents, whenever plausible, to bring the relationship full circle.	\$ 100,000.00	Deborah McHamm	216-229-8300
18	*A Cultural Exchange	Cuyahoga	Soul Republic United Restaurants (B), Olivet Institutional Baptist Church (F/V)	Warrensville Heights City	Chapters 4.0: Book Club	The Chapters 4.0 Book Club program focuses on at-risk students and pairs 40 mentors with male students between grades 5 through 12. This unique program model features mentors and mentees in one-on-one interactions and allows for the inclusion of the student's parent to have a meaningful connection with the student's life at home.	\$ 100,000.00	Deborah McHamm	216-229-8300
118	Big Brothers Big Sisters of Greater Cleveland	Cuyahoga	BlabOnAir Communications (B), Business Development Concepts (B), Key Bank (B)	Garfield Heights City	BBBSGC/Garfield2016 17	Big Brother Big Sisters of Greater Cleveland is a school-based mentoring model wherein the program and corporate volunteer partners provide mentoring of at-risk Garfield Heights City School District students with valuable mentoring in one-to-one relationships.	\$ 100,000.00	Yolanda Armstrong	216-452-5211
52	Catholic Charities Commun Svc Corp	Cuyahoga	City of Barberton (NFP), John Carroll University (NFP), Stark State University (NFP), South Summit Chamber of Commerce (NFP), Lake Anna YMCA (NFP), Ursuline College (NFP), Pleasant Pointe Assisted Living (B), Fast Lane Bowling and Event Center (B), Alcoa (B), Fifth Third Bank (B), Buckingham Doolittle & Burroughs (B), St Augustine Elementary School (F/V)	Barberton City	MAGIC Mentors	The MAGIC Mentors program is a collaboration between Catholic Charities of Summit County, the Barberton City Schools and St. Augustine Elementary School. The program consists of individual mentoring, group learning sessions, community educational activities and family mentoring. Youth are engaged one day per week in group learning sessions to address core principles. Youth are exposed to possible career paths in diverse industries (medical, banking, media, nonprofit higher education, industrial) leading to an understanding of how their group learning sessions apply to everyday life in the workplace. Businesses provide workforce exposure so students can learn from professionals about various career fields. At higher educational institutions, youth and their mentors participate in campus tours, interview with admissions directors and meet with department staff.	\$ 29,265.00	Catherine Adamek	N/A

92	*David's Challenge Incorporated	Cuyahoga	Northern Ohio Recovery Association (NFP), Case Western Reserve University (B), Veterans Administration (B), East Cleveland Bridges of Hope Collaboration (B), Aldridge Consulting (B)	Apex Academy, Cleveland Heights - University Heights City	Young Achievers/Future Professionals Mentoring Prg	The Young Achievers/Future Professionals Program provides mentoring services to youth between the ages of 10 and 13 and enrolled in grades 5 and 6. Youth are identified and referred by the intervention specialist and Parent Teacher Organization (PTO) for three elementary schools within the Cleveland Heights-University Heights City School District. This program promotes positive youth outcomes through mentoring relationships.	\$ 100,000.00	Faith Dickens	216-249-3000
121	Greater Cleveland Neighborhood Center Association	Cuyahoga	Northeast Ohio Medical University (NEOMED) (NFP), Beech Brook (NFP), Effective Leadership Academy (ELA) (NFP), 100 Black Men of Greater Cleveland (100BMGC) (NFP), Apex Builders (B), Harvest Time Evangelistic Ministries (HTEM) (F/V)	OAK Leadership Institute	Project ACT	Project ACT seeks to empower individuals to become accountable change agents that take ownership for changing the conditions of their lives. Through an integration of ELA's and NEOMED's Health Professions Affinity Community programs, students develop SMART goals at the outset of the school year and receive two mentors - one high school student and one professional - as well as a school advisor with whom they meet with on a weekly basis in a small group setting. The mentors and mentees receive training and professional development on how to create their own goals, evaluate their own progress and support students. With the support of their mentors, Project ACT students engage in social advocacy and identify a community concern that they would like to address.	\$ 100,000.00	Allison Wallace	216-298-4440
56	Neighborhood Leadership Institute	Cuyahoga	The Cleveland Foundation (NFP), Greater Cleveland Partnership (B), Northeast Ohio Faith Based Collaborative (F/V)	Cleveland Municipal	Cleveland Community Connectors True2U	True2U program is an innovative youth development and career awareness mentoring program for Cleveland Metropolitan School District eighth-graders. The program is grounded in developmentally appropriate goal setting in three areas of teens' lives: career, personal development and relationships. It encourages students to set immediate goals, rather than ponder long-term abstractions, in each of these intersecting domains. Sharing one's goals with mentors and group members fosters accountability and garners support.	\$ 100,000.00	Michael Matthews	216-812-8708
93	OhioGuidestone	Cuyahoga	Case Western Reserve School of Medicine (NFP), Bon Appetit Management Company (B), Fifth Third (B)	Garfield Heights City	R Rules Mentoring in the Classroom	The R Rules Mentoring in the Classroom program is offered as an elective for school credit. Students completing the course will benefit from the support of a one-to-one mentoring relationship enhanced with the R Rules curriculum that views their future in an individualized, holistic manner and addresses potential drivers and barriers to success.	\$ 100,000.00	Kiersten Watkins	216-410-2376
94	*OhioGuidestone	Cuyahoga	Alliance for Working Together (B), Catalyst Ministry (F/V)	Painesville City Local	R Rules Mentoring in the Classroom	Through the R Rules Mentoring in the classroom program, youth mentoring will be provided based on the nationally recognized model know as: "The R Rules: A Guide for Teens to Identify and Build Resources." Students completing the course will benefit from the support of a one-to-one mentoring relationship enhanced with the R Rules curriculum that views their future in an individualized, holistic manner and addresses potential drivers and barriers to success.	\$ 100,000.00	Kiersten Watkins	216-410-2376

21	*Parma Area Chamber of Commerce	Cuyahoga	Campus Life (F/V)	Parma City	CBS Connects	The Community/Businesses/Schools (CBS) Connects program provides students in grades 5-12 with mentorship programs and college/career readiness activities, while providing them with a support network that will instill hope for the future. The program activities include one-to-one mentoring, mentor luncheons, and opportunities to visit local businesses and colleges/universities to expose students to careers and pathways available within their own communities that they may not have been aware of without the program.	\$ 100,000.00	Dave Nedrich	440-886-1700
41	*Salvation Army-NEOSA	Cuyahoga	Asa Cox Homes (B)	Painesville City Local	Teen Mentoring Program - Painesville	The Teen Mentoring Program targets mentoring support to at-risk students attending Painesville Heritage Middle School and Harvey High School. The Teen Mentoring Program meets the needs of Painesville's teens, providing them with positive role models and preparing them for the future beyond high school by equipping students with the necessary tools to perform well in school and graduate with a purpose and plan for the future. One evening per week, students between the sixth and 12th grades, are welcome to join volunteer mentors from the community for the Teen Mentoring Program. Participation offers students a supervised, supportive environment to discuss problems with their peers and mentors, utilize the gym facility for health and wellness, complete outstanding homework and receive positive reinforcement. The program is driven by the individual needs of each young person, to ensure they are receiving the types of support that is necessary to foster their own success.	\$ 48,882.00	Jon Bullis	440-357-2008
42	*Salvation Army-NEOSA	Cuyahoga	HMC Group (B), Landlords Association (B), Self Employed (B)	Elyria City	Teen Mentoring with Elyria City Schools	The Elyria Mentoring program has been operating through a partnership with the Elyria Schools since its inception 23 years ago. The Elyria Mentoring Program provides opportunities for low-income students whose families do not have the means to enroll in extracurricular activities to become involved in a program during the after-school hours, remain actively engaged and develop peer relationships. The program continues the tradition of recruiting and organizing local business leaders and professionals to serve as mentors for more than 100 teen students each year.	\$ 12,652.00	Robert Sears	440-323-2026
37	The Mentoring Network, Inc.	Cuyahoga	City of Bedford (NFP), Village of Oakwood (NFP), City of Bedford Heights (NFP), Village of Walton Hills (NFP), The Federal Metal Company (B), Lima Community Church (F/V), Elevation Community Church (F/V), Bedford Church of the Nazarene (F/V)	Bedford City	The Mentoring Network	The Mentoring Network program is an effective, sensible and research-based mentoring program that positively influences middle and high school youth. Talented mentors impact the lives of youth by instilling in them character, confidence and leadership. All of its initiatives, which include the UbUr3 Character Curriculum, UbUr3 one-to-one mentoring between volunteer adults and students, one-to-one mentoring between its staff and students, an after-school club, summer sports camps, a one-of-a-kind Character Sports Coaching Initiative, the Leadership Academy and weekly character education classes aim to establish character skills in students that lead to positive, habitual behaviors.	\$ 100,000.00	Keith Tousley	216-577-5269

65	United Black Fund of Greater Cleveland, Inc.	Cuyahoga	Big Brothers Big Sisters of Greater Cleveland Inc. (NFP), Great Lakes Science Center (NFP), Cleveland Public Library (NFP), ANEXSIS (B), New Life Cathedral (F/V)	Richmond Heights Local	Cleveland Coders Year 2	Cleveland Coders Year 2 program is a one-on-one mentoring program where students learn collaboration, teamwork and innovation, in addition to computational career readiness skills. The program is a multifaceted, one-on-one, mentoring program conducted in the Richmond Heights School District. Adults work with their mentees to help them appreciate collaboration, teamwork and innovation. Each class of Richmond Heights Coders (the name adopted for this district) is a mutually supportive group, identified in name by the anticipated year of high school graduation. In addition to traditional topics, the program introduces students to computational and career readiness skills utilizing coding and computer sciences curricula developed by Code.org, the Seattle-based partner.	\$ 100,000.00	Cecil Lipscomb	216-566-9263

The overarching aim will be to build a positive nurturing relationship between the mentor and mentee. One-to-one mentoring activities will happen weekly, beginning in the fall and continuing throughout the school year. Activities will include, but are not limited to, financial literacy training, reading "Habits of Highly Effective Teens" and related materials, decision-making training and anger management training.	\$ 70,488.00	Meredith McDougale	614-398-1230
60	I Know I Can	Franklin	The Ohio State University Office of Student Life Student Activities (NFP), JPMorgan Chase & Co (B), New Salem Baptist Church (F/V)	Columbus City	Know I Can Mentor Expansion	The I Know I Can program seeks to expand mentorship opportunities for Columbus City Schools high school students (grades 9-12) through graduation by leveraging strategic one-to-one mentorship opportunities with AmeriCorps College Guide volunteers and a cadre of additional community volunteers. Mentoring will occur once weekly, throughout the academic year, during the traditional school day.	\$ 99,960.00	Amy Wade	614-233-9510
107	*Lead the Way Learning Academy	Franklin	OSU Fisher College of Business (NFP), OSU Nisonger (NFP), Wright Choice (B), The Potter's House Reynoldsburg (F/V)	Reynoldsburg City	LTWLA Community Connections (Reynoldsburg)	Lead The Way Learning Academy Community Connections (Reynoldsburg) offers youth development activities while maintaining a focus on areas of need specific to teenagers in the Reynoldsburg City School District. The program includes exposure to mentors and role models, self-advocacy, leadership opportunities and post-secondary and career awareness. Through its connection with the district and partnerships, the program monitors the risk factors affecting this population while providing activities that contribute to developing positive outcomes.	\$ 96,376.00	Jackie Kemp	614-842-4993
101	*Life Smart Education	Franklin	Huckleberry House (NFP), A.T.A.I.D (A Thug Is A Dud) (NFP), IMPACT Community Action (NFP), Neighborhood House (NFP), U.S. Bank (B), The Kroger Company (B), Fortis College (B), Comtell (B), Marilee Macaskill - Certified Dale Carnegie Trainer (B), HarvestNet Ministries (F/V)	Frederick Douglass Reclamation Academy, Provost Academy Ohio, George V. Voinovich Relamation Academy, Road to Success Academy, Capital High School	LifeBridge Mentoring Program	The LifeBridge Mentoring Program was created to support at-risk youth in developing 21st century life and career skills in partnership with schools, nonprofits and businesses. The program provides mentoring using activities focused on 1-to-1 relationship building, character development, goal setting and career skills. The program creates opportunities for students to develop employability skills, preparing for job shadowing and internship opportunities and explore what knowledge, skills and abilities are required for those careers.	\$ 100,000.00	Patricia McBride-Demetriou	614-962-5257
29	*OSU Chabad House Inc	Franklin	Huntington Bank (B), Cardinal Health (B), L-Brands (B), Alliance Data (B)	Columbus City	LifeTown Mentor Program	The LifeTown Mentor Program is a simulation of a traditional community environment, complete with a bank, library, park, store, medical offices, a pet place, movie theater, beauty salon and art workshop. These learning environments allow a child to experiment with realistic situations where social and safety risks are mitigated. Through role play in the LifeTown village, students engage in age- and skill-appropriate coaching sessions in important life skills, such as managing banking accounts, applying for and interviewing for jobs, and demonstrating knowledge of traffic and safety rules.	\$ 100,000.00	Esther Kaltmann	614-563-2261

43	St Charles Preparatory	Franklin	The Mentoring Center of Central Ohio (NFP), BBB Center for Character Ethics (NFP), Huntington National Bank (B), Corna-Kokosing (B), Fifth Third Bank (B), AEP (B)	Columbus Collegiate Academy	My Brother's Keeper (MBK)	The My Brother's Keeper program is a school-based mentoring program using adult and high school mentors to build life skills and character for middle school mentees. Through its peer mentorship focus, the program engages both high school and middle school students in concrete goal setting strategies. Peer mentors work with their mentees toward creating SMART goals in the Life Skills Curriculum. The adult mentors compliment this focused relationship by offering an exposure to the working world of the 21st century in a way that expands students' expectations of what is possible and attainable.	\$ 56,680.00	Michael Warner	567-277-0322
53	Starfish Alliance	Franklin	Economic and Community Development Institute (NFP), Brioso Coffee (B), Rela (F/V, NFP)	South-Western City, Columbus City	LINK22	Through the LINK22 program, teens in foster care and mentors set goals and complete social enterprise training and leadership and enrichment activities. Each LINK22 student member is matched with a mentor. Mentors and mentees meet each week and set and update life, education/career and enrichment goals and then report back on progress toward the goals. The student gains business 101 training from the Economic and Community Development Institute with the mentor. The student explores social enterprise learning alongside central Ohio entrepreneurs. Mentors and mentees will develop social enterprise business plans. The program requires a full school-year commitment to meet clear and high expectations, including maintaining a mentor relationship, contributing to a peer group, achieving entrepreneur certification, completing leadership seminars and building a business plan.	\$ 85,260.00	Jamole Callahan	614-908-0732
57	The African American Male Wellness Walk	Franklin	Columbus Area Integrated Health Systems (NFP), National Center for Urban Solutions (B), Reaching Higher Heights 4-Life (F/V)	The Academy for Urban Scholars	Men of Standard mentoring program	The Men of Standard program is an out of the box, 24-hour, seven days a week, intensive mentor program with a mission to assist 75 at-risk African American male students between the ages of 16-21 with professional mentoring, life coaching and career preparation to ensure students graduate from high school and are prepared for 21st century careers. The program consists of collaboration with a community school and community and faith-based organizations that have partnered together to create a TEAM concept of mentoring by making a 12-month commitment to the young men enrolled in the program.	\$ 98,000.00	Perry Gregory	614-754-7511
12	*The Lettuce Work Foundation, Inc.	Franklin	Johnstown Independent Baptist Church (F/V)	Westerville City	Lettuce Work/Westerville City Schools 2017	Lettuce Work/Westerville City Schools 2017 program specializes in working with high school students with developmental disabilities. Typically, these students have the intellectual ability to succeed in the workplace, but in many cases lack appropriate communication and social skills or exhibit behaviors that are not "workplace friendly." The program seeks to give these students a better chance of success making the transition from high school to the working world through effective coaching and mentoring in an actual worksite before they leave high school.	\$ 82,022.00	Doug Sharp	614-893-8029

54	The Research Institute at Nationwide Children's Hospital	Franklin	Boys and Girls Club of Columbus (NFP), Franklin International (B), Community Development for All People (F/V)	Columbus City	Connecting Mentorship Experiences (Connecting ME)	Connecting Mentorship Experiences (Connecting ME) is a comprehensive, sustainable and replicable local mentorship infrastructure to build a universal culture of opportunity. Mentor training incorporates training in child safety, resiliency, youth development, how to provide informal guidance and discipline, and cultural competency training so that mentors are prepared and effective facilitators of goal-setting, character and resiliency.	\$ 100,000.00	Kelly Kelleher	614-722-3066
104	United Way of Central Ohio	Franklin	Big Big Sisters (NFP), OCLC (B)	Columbus City	Holistic Mentoring	The Holistic Mentoring program provides mentoring to African-American boys of in middle school to overcome barriers, build self-esteem and promote school success. Volunteer mentors and students will meet a minimum of four hours per month at school and work through a curriculum of structured activities that address students' academic challenges and help students develop the skills needed to set and achieve future goals. Mentors also may engage in activities offsite (texting, phone calls, events).	\$ 88,800.00	Carol LeMasters	614-227-8736
62	University Area Enrichment Association	Franklin	OSU Department fo Teaching and Learning (NFP), Donatos (B), Summit UMC (F/V)	Graham Primary School, Graham Expeditionary Middle School	GEMS CC	Gems CC is a safe, collegial after-school program at GEMS and Summit UMC with mentors offering community, church and campus-based activities. Mentors will describe critical-thinking models and specific strategies to help students use these models and set SMART goals for GEMS CC projects. Together, they will undertake plans to achieve the goals. Students and mentors gather daily as a group for dinner and discussion about topics particularly related to community. Homework help follows during which mentors work with students one-to-one and in small groups. Students and mentors are then paired for conversation, games and shared work on projects connecting to the day's themes.	\$ 100,000.00	Robert Caldwell	614-266-7240
68	*US Together, Inc.	Franklin	Clintonville/Beechwood Community Resource Center (B), DotX Technology (B), Big Brothers Big Sisters of Central Ohio (F/V)	Columbus City	Mentoring Refugee and Immigrant Youth in Columbus	The Mentoring Refugee and Immigrant Youth in Columbus program works to inspire hope for positive American future in immigrant youth through mentoring activities. The Community Resource Center will implement job readiness mentoring and character building through volunteerism. Dot X will provide opportunities for internship in technology sector and job shadowing. Mentor training and mentor recruitment in Hispanic community will be implemented by the Columbus Big Sister/Big Brothers. The Columbus Global Academy will identify students' academic and social needs, and provide US Together with key information needed for a successful mentor/mentee match. The School will also provide space for children to meet with mentors. The project will serve 50 mentees and recruit 30 mentors.	\$ 100,000.00	Nadia Kasvin	614-437-9941

69	US Together, Inc.	Franklin	Cosmic Bobbins (B), American Heelers (B), Building Hope in the City (F/V)	Cleveland Municipal	Mentoring Refugee and Immigrant Youth in Cleveland	The Mentoring and Immigrant Youth in Cleveland program facilitates fast integration and career readiness of immigrant youth via mentoring. Mentors will help immigrant kids feel welcome in the U.S. by empowering them to create pathways to achievement while staying resilient to peer pressure, marginalization and culture shock. Mentors also will provide parent support and education. US Together will provide interpreting services. Thirty mentors will serve 55 immigrant youth.	\$ 100,000.00	Helen Tarkhanova	216-456-9630

Student mentees will be matched to an appropriate mentoring, internship and/or job shadowing opportunity. Students will need to interview for the position, which will enable them to demonstrate knowledge gained through related workshop participation. Students also will provide a resume as a part of the interview process. All of these opportunities will be guided learning experiences for students. Matched students will engage in a year-round learning experience within a real work environment, while also benefitting from the guidance of an adult mentor.	\$ 100,000.00	Nicolas Santucci	330-744-2131
86	Youngstown/Warren Regional Chamber	Mahoning	Eastern Gateway Community College (B), Youngstown State University (B), Kent State - Trumbull (B), Teen Straight Talk (F/V)	Warren City	Warren Business Education Community Connectors	The Warren Business Education Community Connectors program is a partnership that connects 50+ high school students with local businesses and mentors to help them become workforce ready. The program prepares students with basic job skills, such as resume writing, interviewing and time management. Based on student career interests, available positions in partner businesses and mentor profiles, students and mentors are matched for a year-long mentoring and career-based experience.	\$ 100,000.00	Nicolas Santucci	330-744-2131
28	*College Mentors for Kids, Inc.	Marion	Cincinnati Community Council representative from Kopf Real Estate (B), Dayton Community Council representative from Sebaly Shilito & Dyer (B), Columbus Community Council representative from Ice Miller (B)	Columbus City, Dayton City, Cincinnati City	Mentor Program	Support the continuation and expansion of a one-to-one university campus-based mentoring program for 107 fifth- and sixth-graders in three districts. The program connects college students with kids the most at need and seeks to help all kids look forward and with the goal to be able to give back later. The program will bring kids to the college campus once a week, after school, for activities that focus on higher education and career, culture and diversity, and community service. The students make 20, two-hour campus visits over the school year. Activities are always conducted in group settings, so kids can build their peer relationship skills, while making the topics developmentally appropriate.	\$ 72,356.07	Laura Mishkin	317-459-8400
