

# How to Access OhioMeansJobs K-12 Reporting Tools

## Step 1

### OHIO EDUCATIONAL DIRECTORY SYSTEM (OEDS) ACCESS

Local OEDS administrators have the authorization to assign OEDS roles. Users of the OhioMeansJobs K-12 Reporting Tool system are credentialed at four different levels of access, depending on the needs and responsibilities of the user. Not all users have access to all features of the system. The following chart helps users determine the most appropriate access level and the reporting options and restrictions applied to each level. Please note, users may only have one access level assigned.

Access Type	Intended For	Restrictions	Report Access
Student Level Access	Teachers	Access to student detailed reporting functions, No access to aggregated district, and state data	<ul style="list-style-type: none"> <li>- Apprenticeship</li> <li>- Apprenticeship Services</li> <li>- Career Cluster Inventory</li> <li>- Career Profile</li> <li>- Group Summary</li> <li>- Registration Activity</li> <li>- Assessment</li> <li>- Occupations</li> </ul>
