

OhioMeansJobs K-12

Discover your opportunities with OhioMeansJobs K-12 free career planning resources

Hey students and families! Are you ready to explore exciting career opportunities and plan for an amazing future? OhioMeansJobs K-12 is here to help, and it's completely free for all Ohio students!

What can you do at OhioMeansJobs.com?

- **Discover your interests:** Find out which careers match your passions and explore in-demand jobs.
- **Build your resume:** Put together a standout resume and search for college or training programs.
- **Learn to budget:** Learn how to manage your future expenses and create a budget.
- **Develop your career plan:** Get ready for what's next by drafting a solid plan.
- **And so much more!**

Introducing PortfoliOH

Now integrated into the OhioMeansJobs K-12 Student Profile, PortfoliOH is Ohio's free work-based learning tracker. Log your internships, job shadows, school projects, and community service. Reflect on what you've learned and the skills you've gained — make every experience count!

The Goal

The Ohio Department of Education and Workforce aims to equip every Ohio student with high-quality career exploration and planning experiences.
