

### Self-Assessment Summary Tool

The *Ohio Standards for School Counselors* define expectations for Ohio’s school counselors based on what is known about the skills and practices of effective school counselors. The standards can be used as a guide for school counselors as they self-assess their professional effectiveness to identify their strengths and areas for additional professional growth.

One way for school counselors to self-assess is to respond to focused, guiding questions related to effective practices. This self-assessment tool offers both essential questions and statements for response.
