Middle School Information Technology Courses

Course Code	Course Title	Curriculum Code/Hours		
		VT	V3	VM
Information Support & Services (N0)				
145005	Introduction to Information Technology	120-280	60	30-60
145010	Web Design	120-280	60	30-60
145110	Video & Sound	120-280	60	30-60
145150	Introduction to Programming Concepts	120-280	60	30-60
Interactive Media (N1)				
145005	Introduction to Information Technology	120-280	60	30-60
145110	Web Design	120-280	60	30-60
145100	Creating & Editing Digital Graphics	120-280	60	30-60
145110	Video & Sound	120-280	60	30-60
145150	Introduction to Programming Concepts	120-280	60	30-60
Networking (N2)				
145005	Introduction to Information Technology	120-280	60	30-60
145010	Web Design	120-280	60	30-60
145110	Video & Sound	120-280	60	30-60
145150	Introduction to Programming Concepts	120-280	60	30-60
Programming Software Development (N3)				
145005	Introduction to Information Technology	120-280	60	30-60
145010	Web Design	120-280	60	30-60
145110	Video & Sound	120-280	60	30-60
145150	Introduction to Programming Concepts	120-280	60	30-60
175002	Engineering Principles	120-280	60	30-60

Cybersecurity (N4)				
145005	Introduction to Information Technology	120-280	60	30-60
145150	Introduction to Programming Concepts	120-280	60	30-60

Curriculum Code	Grades	CT Funded	Assessment	Counts toward Concentrator
VT	7-12	Yes	Required	Yes
V3	7-12	Yes	Not required	No
VM	7-10	Yes	Not required	No

- Career-Technical Middle School Courses require schools to complete a CTE-26 and program of study*.
- Students enrolled in Career-Technical Middle School Courses (VT, VM) are eligible for participation in Career-technical Student Organizations (CTSO).
- Granting High School credit for Career-Technical Middle School Course high school courses is a local school district decision.
- VM Courses do not count towards four course minimum.

*If you have a 7-12 grade building with a current CTE26 on file, no additional CTE26 in required, unless you add a new program to that building IRN.
