Prepare yourself for the future.

**College Credit**
Career-tech students can earn college credit while still in high school.

**In-Demand**
Earn industry-recognized credentials and licenses that can help students test out of first-year college classes (saving time and money) and can lead to pre-apprenticeships, apprenticeships or in-demand jobs immediately after graduation.

**Career Ready**
Career-tech prepares students for a fulfilling post-high school path by providing employability skills, leadership and community service.
