Ready for **careers**. Ready for **college**.  
Skills for a **lifetime**.

*Each Child, Our Future*, Ohio's strategic plan for education, provides an aligned goal that reflects student success one year after completing a high-quality and supportive preK-12 education experience.

## Outcomes and Insights

### One Goal

Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:

- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

**91.46%** of #CareerTechOhio students met this goal. After leaving high school in 2020, these students were employed, enlisted, in training, or continuing education within six months.
