

¹ A subrecipient may choose to use UFAS or the 2010 ADA Standards to meet its Section 504 obligation, which is the focus of MOA reviews. Under the MOA program there is no obligation to use the 2010 ADA standards. However, more generally, and outside of the MOA program, for a public school to meet its obligations under both Section 504 and Title II, compliance with the 2010 ADA Standards is necessary.
