

# #CareerTechOhio

Ready for **careers**. Ready for **college**.  
Skills for a **lifetime**.

*Each Child, Our Future*, Ohio's strategic plan for education, provides an aligned goal that reflects student success one year after completing a high-quality and supportive preK-12 education experience.

## Outcomes and Insights

### One Goal

Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:

- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

**91.2%** of #CareerTechOhio students in 2021 were employed, enlisted, in training or continuing education within six months of graduating high school.

Of the 91.2% of #CareerTechOhio students:

<b>66.7%</b> were employed	<b>44.7%</b> were enrolled in post-high school learning	<b>4.5%</b> were in an apprenticeship	<b>3.2%</b> joined the military

\*Class of 2021 state of Ohio graduation rate was 87.2% ([reportcard.education.ohio.gov](http://reportcard.education.ohio.gov))

**DID YOU KNOW?**

A **concentrator** is a student who has completed at least two courses in a single approved career-technical education program or program of study. For a student to have completed a course, the student must have been enrolled for at least 90 percent of the scheduled hours and/or earned full or partial credit in a state-approved career-technical education workforce development course (curriculum element VT, VP, VN (JTC), PS), including job training programs.

#CareerTechOhio students are enrolled in these **16 career fields**:
