## Introduction to Education Rubric

In order to be rated in a particular column, all items with AND must be met. Please note the formatting of the rubric to assist students to understand expectations and will improve consistent evaluation by reviewers. BLUE font is the row theme. ITALICIZED words represent what is different between levels of performance (i.e., columns). Organization of the portfolio is by TAG Theme and by row (there will be three chapters, with a total of eight sections)

**Example:**

Chapter One: TAG Theme 1: Aims of education and role of schools in a democratic society
- Section 1: Educational Models
- Section 2: Decision-making in education systems

Chapter Two: TAG Theme 2: Culturally Responsive and Inclusive Education

Evidence of learning includes artifacts that document and demonstrate the candidates understanding of the course content. The suggested acceptable artifacts are possible sources of evidence and should be used as a guide, but is a non-exhaustive list of examples or possibilities.

| 2.3 Section 2.3: Community Demographics | Possible evidence to accompany written explanation:  
- Chart or graph of community demographics of rural, urban, suburban  
- Use of census data over two decades  
- Free and reduced lunch  
- Single head of household,  
- Education level, race, ethnicity, income  
- Newspaper articles  
- Interviews with principals/superintendent | Provides evidence of changing demographics in at least two local communities  
AND  
Description and reflection on a school’s response or might respond  
AND  
Includes citations | Provides evidence of changing demographics in at least two local communities  
AND  
Description and reflection on a school’s response or might respond  
AND  
Includes citations | Evidence of changing demographics in at least two local communities is  
not cited or not credible  
AND  
Reflection is superficial | Evidence of changing demographics in at least two local communities is absent  
AND  
Reflection is absent or inaccurate |
| 2.4 Section 4: Culture | In addition to an evidence artifact, include a brief one to two paragraph reflection.  
Possible evidence to accompany artifact:  
- An “All About Me” storybook  
- A video, poem, rap song, or other visualization | Describes -personal culture  
-how other cultures in the United States are similar to and different from your own personal culture  
AND  
Includes a personal reflection on the role of teachers in creating an inclusive learning environment for students of all cultures  
AND  
Includes examples of how their own perspective impacts who you are as an educator | Describes -personal culture  
-how other cultures in the United States are similar to and different from your own personal culture  
AND  
Includes a personal reflection on the role of teachers in creating an inclusive learning environment for students of all cultures | Provides a limited description of personal culture  
AND/OR  
-how other cultures in the United States are similar to and different from your own personal culture  
AND  
Personal reflection on the role of teachers in creating an inclusive learning environment for students of all cultures is lacking in detail and/or substance | Personal culture is absent  
AND/OR  
-how other cultures in the United States are similar to and different from your own personal culture is absent or incomplete  
AND/OR  
Personal reflection is absent or incomplete |

</table>
| **3.1 Section 3.1:** Philosophy of Education | Culminating activity:  
- Written essay, Video, Poem, Personal statement, Poster, 3D representation, Visualization, Metaphor  
- Coherent – tells a story, uses professional language | Provides evidence of a professional philosophy of education that includes application of  
- Contemporary educational theories  
- Latest research on teaching and learning  
- A self-evaluation of compatibility for a career in education | Provides evidence of a professional philosophy of education that includes  
- Contemporary educational theories  
- Latest research on teaching and learning  
- A self-evaluation of compatibility for a career in education | Provides limited evidence of a professional philosophy of education of one or more of the following:  
- Contemporary educational theories  
- Latest research on teaching and learning  
- A self-evaluation of compatibility for a career in education | Evidence is incomplete or does not address one or more of the following:  
- Contemporary educational theories  
- Latest research on teaching and learning  
- A self-evaluation of compatibility for a career in education |
| **3.2 Section 3.2:** Career Paths | Provide written or visual documentation, identifying and organizing various career opportunities and the requirements for each including the following:  
- Education options  
- Scope of career opportunities | Provides evidence of career opportunities that reflects one’s own career interests, pathways, and describes post-secondary options  
*Evidence addresses:*  
- Education options  
- Scope of career opportunities | Provides evidence of career opportunities that reflects one’s own interests and pathways  
*Evidence addresses:*  
- Education options  
- Scope of career opportunities | Provides evidence of career opportunities that is unclear  
*Evidence addresses:*  
- Education options  
- Scope of career opportunities | Provides evidence of career opportunities that is inaccurate or absent  
*Evidence addresses:*  
- Education options  
- Scope of career opportunities |
