

Charter Schools Program Grant Allowable Costs Guide

This guide will help Charter Schools Program grant subrecipients plan and prepare budgets and budget amendments for CSP funds.

HOW TO USE THIS GUIDE

- Allowable costs are organized in three categories: Classroom Level (**blue**), Instructional Support (**yellow**) and Operations of School (**green**).
- Some costs are **never** allowable within the CSP grant program. A list of unallowable costs is on the last page of this guide.
- Whether a cost is allowable during a given phase is noted in the “Grade Level, Courses, and Facility” columns.
- Reference the [USAS Manual](#) for codes.
- **Please do not copy and paste descriptions!** This guide is meant to help schools determine whether a *type* of cost is allowable. In order to ensure sufficient detail is included when drafting a budget, budget narrative and the Project Goals and Activity Form, please be sure to provide the Who/What/When/Where/Why/How information to be detailed, and be specific in your descriptions.
- Finally, *if an item or service is not listed in this document, contact the CSP grant manager.* He or she can help determine if a cost is allowable within the program.

IMPORTANT:

- All requested budget line items must be *reasonable, necessary, allowable and allocable*.
- Budget requests must align with state and federal laws and guidance.
- Subrecipients may be required to provide additional documents to the Office of Community Schools at any time.
- Regardless of threshold, ALL capital outlay and supplies (for example, furniture, fixtures, equipment, computer hardware, consumables) must be accountable and reported in detail in the budget narrative and Project Goals and Activity Form.
- **If awarded a subgrant, ALL costs submitted to the Ohio Department of Education for reimbursement of CSP purchases must be included in the approved budget in the CCIP accompanied by all supporting documentation. If awarded, *purchases made prior to an approved budget amendment will not be eligible for reimbursement.***
