Dear Ms. Tenbosch,

The Department of Education and Workforce is in receipt of the application for approval of a new internet or computer-based community school. The application for AchievePoint Virtual Academy was reviewed and scored in accordance with Ohio Revised Code [3314.013](#) and Ohio Administrative Code [3301-102-09](#). Unfortunately, the application failed to earn the necessary score for approval and has been denied.

Attached is a copy of the scoring rubric for the application. Should you have any questions, we would be happy to schedule a time to review the application with you.

Sincerely,

Colleen D. Grady, Section Chief
Educational Options and Policy
