

Request for Approval of New Internet- or Computer-Based Community School

Ohio Revised Code [3314.013](#) allows for no more than five new internet- or computer-based community schools to open per year. All new internet- or computer-based community schools or existing community schools wishing to begin operation as an internet- or computer-based community school must receive approval from the superintendent of public instruction based on measures prescribed in Ohio Administrative Code [3301-102-09](#), unless a sponsor rated “Exemplary” on its most recent sponsor evaluation is seeking to open a new internet-or computer-based community school that will primarily serve students enrolled in a dropout prevention and recovery program.¹ Applications will be evaluated based on the following criteria:

- (1) The sponsor's experience with online schools, which shall include, but not be limited to, the following:
 - (a) The number of years and number of online schools for which the sponsor provided monitoring and technical assistance since the inception of such activities;
 - (b) The degree to which the online schools met Ohio's operating standards for online schools, which the department shall make available on the department's website; and
 - (c) Any full-time equivalency determinations issued by a state education agency for a school for which the sponsor was responsible for oversight;
 - (d) Previous experience of key personnel employed by the sponsor in providing oversight or technical assistance for schools utilizing online or blended learning models;

- (2) The operator's experience with online schools, which shall include, but not be limited to, the following:
 - (a) The operator's experience, in the managing the daily operations of an online school or providing programmatic oversight and support to an online school since the inception of such activities;
 - (b) Previous experience of key personnel employed by the operator related to operation of online or blended learning models;
 - (c) The degree to which the online schools met Ohio's standards for online schools; and
 - (d) Any full-time equivalency determinations issued by a state education agency for a school for which the operator managed the daily operations;

- (3) The sponsor's schools' records of academic performance in all years under its sponsorship including:

¹ Section 3314.013(B)(4) allows for a sponsor rated “Exemplary” on its most recent evaluation conducted under section 3314.016 of the Revised Code is permitted to open to two new internet-or computer-based community schools that will primarily serve students enrolled in a dropout prevention and recovery program each year without approval of the Department, not to exceed six new schools in a five-year period.

- (a) Assessment of the sponsor's schools' student performance, as aligned with the evaluation system described in section 3314.016 of the Revised Code; and
 - (b) Report cards and performance ratings issued for the sponsor's community schools under section 3302.03 of the Revised Code; and
- (4) The operator's affiliated schools' records of academic performance in all years under its operation as measured by the following:
- (a) Report cards and performance ratings issued for the sponsor's community schools under section 3302.03 of the Revised Code;
 - (b) Comparable performance ratings of out-of-state schools with which the operator has experience; and
- (5) A preference for operators with previous experience in Ohio.

ADMINISTRATOR INFORMATION

If school does not have an operator, the Department will evaluate the school’s administrator’s experience with internet- or computer-based community/public charter schools in the state of Ohio and outside the state Ohio. Applicants should include the resume/vita for the school administrator and provide a response with additional detail about the administrator’s experience. The response also should outline the plan for operation of the school and the administrator’s role in implementing the educational plan for the school, and how school leader intends to leverage past experience.

ACADEMIC PERFORMANCE OF THE SPONSOR’S SCHOOLS

No submission is required of the sponsor. Please note this section pertains to all community schools, not just internet- or computer-based community schools. For this section, the Department will review the sponsor’s schools’ records of academic performance ***in all years under its sponsorship*** including assessment of the sponsor’s schools’ student performance, as aligned with the evaluation system described in section [3314.016](#) of the Revised Code and report cards and performance ratings issued for the sponsor’s community schools under section [3302.03](#) and/or [3314.017](#) of the Revised Code. PLEASE NOTE: The Department will not include information from the 2019-2020 or the 2020-21 school years when evaluating this section.

ACADEMIC PERFORMANCE RECORD OF OPERATOR’S AFFILIATED SCHOOLS

This section applies to affiliations with all community/public charter schools, not just internet- or computer-based community schools, over the operator’s history. For this section, the Department will review the operator’s affiliated schools’ records of academic performance ***in all years under its operation*** including report cards and performance ratings issued for the community schools under section [3302.03](#) of the Revised Code and comparable performance ratings of out-of-state schools with which the operator has experience. PLEASE NOTE: The Department will not include information from the 2019-2020 or the 2020-21 school years when evaluating this section.

- 1) If the proposed school will be contracting with an operator, provide a complete and comprehensive list of all schools managed by the operator in the state of Ohio since the operator’s first year of operation. For each community/public charter school managed by the operator, provide the following:
 - name and unique school identifier of each school (in Ohio, the IRN is the unique school identifier)
 - type of school (site-based or online)

- first and most recent calendar years for which the operator managed the daily activities of the school
 - total years operator managed school
- 2) If the operator managed the operations of schools outside of Ohio, provide a complete and comprehensive list year by year of all schools managed by the operator outside the state of Ohio. For each school managed by the operator outside of Ohio, identify the following information:
- school's unique school identifier
 - school's name
 - type of school
 - state of location of school
 - list each school year with affiliation
 - list overall state report card rating for that year
 - URL that links to an explanation of the state's accountability system to allow the Department to compare the performance of those schools to Ohio's ratings system

NOTE: If the Department discovers that any of the information provided above is inaccurate, the applicant automatically will be ineligible to receive further consideration from the Department.

ALIGNMENT TO NATIONAL STANDARDS FOR ONLINE LEARNING

This section examines whether the proposed internet- or computer-based community school meets the [National Standards for Quality Online Learning](#).

The applicant, sponsor and operator must work collaboratively to provide a narrative that explains how the school will meet requirements included in the [Standards for Quality Online Programs](#). Please attach a copy of the completed narrative to this application. The Department will use the narrative to assign ratings for each set of standards (A-M) using the following criteria. Section ratings will be averaged and scored.
standards

Points	Criteria
Fully Developed 4 Points	This part of the application demonstrates a model of best practice. This part of the application scored between 90% and 100% of the total possible points.
Well Developed 3 Points	This part of the application demonstrates excellent implementation, comparable to other examples. This part of the application scored 80% or more of the total points, but less than 90% of the total possible points.
Adequately Developed 2 Points	This part of the application demonstrates good implementation, but somewhat lacked depth or detail. This part of the application scored 70% or more of the total points, but less than 80% of the total possible points.
Poorly Developed 1 Point	This part of the application demonstrates partial implementation, but additional work is needed. This part of the application scored less than 70% of the total possible points.
Not Addressed 0 Points	The application does not demonstrate a model of best practice, or this part of the application does not address the standards for quality online programs.

PREFERENCE FOR OPERATORS WITH PREVIOUS EXPERIENCE IN OHIO

The superintendent of public instruction may approve up to five new internet- or computer-based community schools each year. Should the Department receive more than five applications for new internet- or computer-based community schools each year, preference will be given to qualified applicants managed by an operator with experience managing schools in Ohio.

1) Does the operator have previous experience managing community schools in Ohio? _____

2) How many years of experience does the operator have managing community schools in Ohio?

3) List all consecutive and nonconsecutive years of experience operator has managing community schools in Ohio.

APPLICATION SCORING

Each application will be rated using the criteria included in the internet- or computer-based community school application rubric and receive a composite score by adding the scores from each of the sections in the rubric. In addition to the composite score, information pertaining to sponsor and operator experience in terms of statutory compliance will be reviewed. In cases where a section is not applicable, the points per section for the remaining applicable sections shall be adjusted to maintain the same proportional weight within the calculation.

Each applicant's score and related information will be considered by the superintendent of public instruction in making decisions regarding the approval or disapproval of submitted and reviewed applications. The Department will determine annually the minimum threshold of total points earned to be recommended for approval. The superintendent of public instruction may approve up to five applications for new internet- or computer-based community schools to open for the upcoming school year.

SECTION D: SPONSOR'S SCHOOLS' RECORDS OF ACADEMIC PERFORMANCE

The Department will be assigning a composite weighted score based on the cumulative performance of all schools overseen by the sponsor from academic years 2002-2003 and beyond. From academic years 2002-2003 through 2014-15, the total points will be weighed at 50 percent. For academic years 2015-16 and beyond, the total points will be weighed at 50 percent. The weighted points will be converted to points earned from 0 to 4. The score will then be converted to points from 0 to 20, which will be applied towards the total section points.

OPERATOR MANAGING SCHOOLS IN THE STATE OF OHIO ONLY:

If the operator only managed schools within the state of Ohio, the Department will assign percentage weights to the operator’s affiliated schools’ records of academic performance in all years under its operation based on the following. For academic years 2002-2003 through 2014-2015, the total points will be weighed at 50 percent. For academic years 2015-2016 and beyond, the total points will be weighed at 50 percent.

OPERATOR MANAGING SCHOOLS BOTH IN THE STATE OF OHIO AND OUTSIDE THE STATE OF OHIO:

If the operator managed schools both in the state of Ohio and outside of the state of Ohio, the Department will assign percentage weights to the operator’s affiliated schools’ records of academic performance in all years under its operation based on the following. For all schools within the state of Ohio from academic years 2002-2003 through 2014-15, the total points will be weighed at 40 percent. For all schools within the state of Ohio from academic years 2015-16 and beyond, the total points will be weighed at 40 percent. SECTION F: ALIGNMENT TO THE NATIONAL STANDARDS FOR QUALITY ONLINE LEARNING.

This section examines whether the proposed internet- or computer-based community school meets the [National Standards for Quality Online Learning](#).

The applicant, sponsor and operator must work collaboratively to provide a narrative that explains how the school will meet requirements included in the [Standards for Quality Online Programs](#). Please attach a copy of the completed narrative to this application. The Department will use the narrative to assign ratings for each set of standards (A-M) using the following criteria. Section ratings will be averaged and scored.

The Department will use the assigned ratings to score the application based on the following:

Points	Criteria
Fully Developed 4 Points	This part of the application demonstrates a model of best practice. This part of the application scored between 90% and 100% of the total possible points.
Well Developed 3 Points	This part of the application demonstrates excellent implementation, comparable to other examples. This part of the application scored 80% or more of the total points, but less than 90% of the total possible points.
Adequately Developed 2 Points	This part of the application demonstrates good implementation, but somewhat lacked depth or detail. This part of the application scored 70% or more of the total points, but less than 80% of the total possible points.
Poorly Developed 1 Point	This part of the application demonstrates partial implementation, but additional work is needed. This part of the application scored less than 70% of the total possible points.
Not Addressed 0 Points	The application does not demonstrate a model of best practice, or this part of the application does not address the standards for quality online programs.
