Introductions
Creation of EMIS Advisory Council

• ORC 3301.0713
• Establishes and authorizes the EMIS Advisory Council to make recommendations to improve EMIS and provides a forum for communication and collaboration between the Department of Education and parties in the field involved in collecting, reporting and using EMIS data.
• First meeting was October 2018
Purpose of Workgroups

• Each work group will address a subset of issues and will report to the EMIS Advisory Council on ways to improve the operation of EMIS

• Members of the EMIS Advisory Council sit on each work group

• Additional members were added to each work group based on nominations from the Council members
Goal of Workgroups

• Short term and long term recommendations
• Recommendations will be shared with EMIS Advisory Council first, then taken to the State Superintendent
• Workgroup meetings will be ongoing as needed, and could continue through next year
Domains of EMIS

- EMIS Manual and Data Requirements

General Issues Data Checks

What do you like about the General Issue checks, specifically?
General Issues Data Checks

What are the biggest challenges in using the checks to review your data?

• Is the feedback about information useful?
• Are the existing resources helpful to research and address issues (reports, training, technical documentation)?
• Is it easy to get answers to questions about General Issue checks from the Department?
General Issues Data Checks

How are you using or working through your checks?

• Do you send the checks to others at your district?
  Does the current design meet their needs, too?
General Issues Data Checks

Are there resources, design changes or new checks that could be added to make it easier to review data?

• Would a calendar of upcoming checks be helpful?

What longer term changes should the agency implement to help you use the General Issue checks more efficiently and effectively?
