3.6 CONTRACT ONLY STAFF (CC) RECORD

Required Collection Requests

The Contract Only Staff (CC) Record is to be reported for the Initial and Final Staff and Course (L) Collections.

General Guidelines

This record allows for the collective reporting of staff contracted from a non-EMIS reporting entity. Contract examples include transportation, custodial, and food services. For these types of contracts, individual staff information is not needed. Not all positions can be reported via the Contract Only Staff (CC) Record. Refer to the Position Codes and Contract Reporting table below for further clarification.

Districts must report at least one record per contractor, contract, position code, and fund source. Report all contracts that were in effect at any point during the fiscal year (July 1 – June 30).

The following chart indicates which position codes may be reported with this record and which position codes must be reported using the other staff records and a position status of “A” or “I”.
