

*EMIS Change 23-48: Gifted reporting for community schools
Public Comment open from March 7 through April 5*

EMIS Change 23-48

This change adds additional reporting opportunities for community schools to report their gifted data. To align this reporting with traditional district reporting, community schools will now be able to report their Student Gifted Education (GG) Records in the SOES Beginning of Year Student (S) Collection in addition to the SOES End of Year Student (S) Collection. It is not required that community schools report this data in the Beginning of Year Collection, but they can if they'd like.

2.10 STUDENT GIFTED EDUCATION (GG) RECORD

Required Reporting Periods

The Student Gifted Education (GG) Record is to be reported for the Traditional Districts Beginning of Year, Midyear, and End of Year Student (S) Collections and the SOES End of Year Student (S) Collection. [This data may also be reported in the SOES Beginning of Year Student \(S\) Collection.](#)
