

EMIS Change 23-65: Update to coordinated early intervening services program code
Public Comment open from April 27 – May 26

EMIS Change 23-65

This change updates program code 221005 Participation in Coordinated Early Intervening Services.

SECTION 2.9: STUDENT PROGRAM (GQ) RECORD

COORDINATED EARLY INTERVENING SERVICES

Coordinated Early Intervening Services

Program Code	Description
221005	Participation in Coordinated Early Intervening Services <u>Student was counted among the district's targeted population to receive early intervening services during the current school year. The early intervening services were either mandated due to district disproportionality or voluntary. The early intervening was solely funded through IDEA Part B special education funding.</u> Student has participated during this school year in Coordinated Early Intervening Services (CEIS) that were funded as a result of mandatory or voluntary redirection of federal special education funding.
