Good Morning,

Question: If the district does not procure epinephrine does the district then need to report each time they administer an epinephrine even if the district does not procure the epinephrine?

Subject: RE: EMIS Change #23-11, Public Comment

Good morning,

I am including a snapshot (below) of the [Detailed EMIS Manual changes](#) on the FY23 EMIS Change webpage for 23-11. Under EPNPHUSAGE it indicates the “number of epinephrine autoinjectors used on the reported date from the supply procured by the district...”. Does that help to answer your question?

Thank you for your time and interest in EMIS changes.

Attribute Name	Attribute Text	Attribute Number	Attribute Date
GLCGNPRCMT*	spaces	Number of doses procured on this date	CCYMMDD
GLCGNUSAGE*	spaces	Number of doses used on this date	CCYMMDD
EPNPHPRCMT*	spaces	Number of epinephrine autoinjectors procured on this date	CCYMMDD
EPNPHUSAGE*	spaces	Number of epinephrine autoinjectors used on this date	CCYMMDD

Note. Attribute names marked with an asterisk should be reported with the organization IRN equal to the district IRN.

- GLCGNPRCMT** Number of doses of glucagon procured on the reported date; report a separate record for each date when glucagon is procured during the current fiscal year
- GLCGNUSAGE** Number of glucagon doses used on the reported date from the supply procured by the district; report a separate record for each date when a dose is used in the current fiscal year
- [EPNPHPRCMT](#) [Number of epinephrine autoinjectors procured on the reported date; report a separate record for each date when epinephrine autoinjectors are procured during the current fiscal year](#)
- [EPNPHUSAGE](#) [Number of epinephrine autoinjectors used on the reported date from the supply procured by the district; report a separate record for each date when an epinephrine autoinjector is used in the current fiscal year](#)
