Good Morning,

Question: If the district does not procure inhalers does the district then need to report each time they administer an inhaler even if the district does not procure the inhaler?

Good morning,

I am including a snapshot (below) of the [Detailed EMIS Manual changes](#) on the FY23 EMIS Change webpage for 23-9. Under INHLRUSAGE it indicates the “number of inhalers used on the reported date from the supply procured by the district...”. Does that help to answer your question?

Thank you for your time and interest in EMIS changes.

Attribute Name	Attribute Text	Attribute Number	Attribute Date
