

EMIS Change 25-110

This change removes the test date table from Section 2.8. The table has been added to the appropriate report explanation, [Assessment Missing Reports, Level 1](#). The official source for this data is available on the Office of Assessment’s webpages. The need to update the table often does not align with the legal deadlines involved with the EMIS Change process. Moving the table from the Manual to the report explanation will allow us to update the table whenever it is necessary.
