

EMIS Change 25-119

This change updates the entities who report the medical attributes to include STEM districts.

SECTION 5.3: ORGANIZATION GENERAL INFORMATION

Reporting by Organization Type

The table below indicates which attributes are to be reported by which organization types. When referencing the table, please note the following:

- the organization type does not report the attribute.
- R the attribute is required reporting for the organization type.
- O the attribute is optional if it does not apply to the organization type; however, if the attribute does apply, then it is required reporting for the organization type.
