Good morning,

Thank you for your interest in EMIS and public comment. The EMIS Manual is intended to document EMIS reporting rules and guidelines. As such, policy information that is not owned by EMIS and maintained outside of the Manual is being removed.

Thank you,

Hi,

We have heard from several EMIS Professionals, please do not remove EMIS reporting guidance from the EMIS manual and make us look at other manuals, documents, and/or resources.

Please note and keep as much guidance, codes, information grids, for both vendors and fiscal staff and EMIS Coordinators that you can.

I said I would pass along.
